CIAS Campus School Handbook

"You shall love the LORD your God with all your heart
and with all your soul and with all your might.
These words, which I am commanding you today, shall be on your heart.
You shall teach them diligently to your sons
and shall talk of them when you sit in your house
and when you walk by the way
and when you lie down and when you rise up."

Christian Institute of Arts & Sciences

WELCOME!

Welcome to the Christian Institute of Arts and Sciences Campus School! For twenty-six years now, CIAS diligently seeks to provide a safe space at our Campus School for both our school staff and students- an encouraging, supportive atmosphere, conducive to the maximum growth of each student in the least restrictive environment possible. Teachers and school staff provide daily individualized support, as well as encouragement, in a positive and nurturing environment.

The CIAS Campus School, a private school with a homeschool model, educates students in Grades K-12 five days per week, Monday through Friday, 9 AM to 3 PM. Students may attend school at the campus with Flex/Hybrid options from 1-5 days per week, depending on family finances, availability of student openings, or type of scholarship funding.

After the evaluation of the Diagnostic and Placement Assessments for new, incoming students is completed, a Curriculum List is carefully selected to support our students' individual learning styles, and individualized guidance helps to keep students on track and encourage them to achieve maximum growth. To this end, students are expected to meet appropriately high standards in all areas of study, as detailed in a student's Curriculum List and/or Diploma Plan. Each student works on the curriculum and school books prescribed for his or her individual learning needs and abilities, so the curriculum choice varies.

For our full-time Campus School students, CIAS offers Response to Intervention. According to the RTI Action Network, "Response to Intervention (RTI) is a multi-tier approach to the early identification and support of students with learning and behavior needs" (Gorski, 2021). Students who need Tier 1-3 interventions will receive small group instruction, one-on-one tutoring, or specialized tutoring and therapy as needed. Generally, the student's Lesson Plan Book is logged with daily schoolwork assignments to be completed during the week. Students who are working at home (because of a variety of reasons, including their homeschool schedule, an illness, a COVID-19 quarantine, or out-of-school disciplinary suspension) are expected to complete their studies at home with parent/guardian supervision or log in Live Online on Google Meet with CIAS Campus School teachers on any and all days that they do not attend school on campus.

The learning environment at CIAS is much like a home school, or a one-room schoolhouse. Students work at tables and desks, and tutors have specific areas in the facilities where they work; students work quietly on their assigned schoolwork unless they are being tutored. Our elementary students learn in a least restrictive classroom environment (LRE) created just for them with their best learning experience in mind.

Continued enrollment is probationary and dependent upon whether students fit into our learning environment smoothly and are compliant with the school policies and procedures. We also provide lesson planning to homeschooling parents who want or need more organization and/or accountability. For students who do not have scholarships, parents provide technology (laptop), school books/curriculum, a lesson plan book, and school supplies.

The administration, teachers, assistant teachers, and staff at CIAS are a dedicated team of passionate educators who seek to provide the best education possible for our students. We regularly complete in-service training and professional development to better ourselves as teachers, mentors, and leaders. We love what we do and are blessed to be a blessing to our students and their families!

NOTICE OF NONDISCRIMINATION POLICY FOR STUDENTS

The Christian Institute of Arts & Sciences admits students of any race, color, national, and ethnic origins. All students are entitled to the rights, privileges, programs, and activities generally made available by the school administration. We believe that all men are made in God's image and hold that discrimination is in violation of the Word of God (Galatians 3:28-29).

CIAS EDUCATIONAL CULTURE

CIAS strives to provide our students with the structured organization and benefits of a school and, at the same time, enable them to reap the benefits of Biblical worldview education. Our school motto, Walk in Truth, is derived from 3 John 4, which states, "I have no greater joy than to hear that my children walk in truth." What is this truth? John 17:17 says, "Thy Word is truth."

As we seek to impart a Christian and biblical worldview to our students, we use curriculum and textbooks which support this goal. While secular curriculum may be inexpensive and more readily available, it ultimately undermines the spiritual truths we attempt to impart to our students on a daily basis. Secular textbooks teach humanism, naturalism, and materialism, all worldviews which are fundamentally opposed to a biblical worldview by their very nature and educational purpose.

Francis A. Schaeffer, Christian theologian and apologist, defined the secular worldview as taught in American public schools, and all material produced for them.

"If you hold this worldview, you must realize there is no source of knowledge except what man can find for himself; all revelation is ruled out. Knowledge never can be certain; and there can be no value system except that which is totally arbitrary. And more serious than the personal arbitrary value system is the fact that it leaves us only with arbitrary law. There is no basis for law. Law becomes only the decision of a small group of people and what they decide at a given moment is for the good of society."

CIAS seeks to provide a nurturing and encouraging environment that encourages personal and spiritual growth for both staff and students, as well as facilitating development of critical thinking and communication skills for CIAS students. CIAS is a safe haven from the onslaught of the world and the devil. A spiritual atmosphere is created with prayer, practical Scriptural applications, and various calming techniques.

TEACHING & LEARNNG PRIORITIES

Learning priorities established by CIAS are based upon the CIAS "Teaching Philosophy Statement: Concepts of Teaching & Learning" and support the ideas in the Vision, Mission, and Philosophy of Education Statements.

This statement will reflect the CIAS conception of teaching and learning, a description of how the teachers at CIAS teach, and justification for why we teach this way. In making this statement, we are reflective and purposeful about our teaching methodology. At the CIAS, we are committed to the following values and beliefs about teaching and learning. Our learning priorities include all of the following:

1. Partnering with parents/guardians in their God-given right and responsibility to provide academic and life skill education to their children, as gifts from God, to prepare them for future responsibility, relationships, ministry, and careers
2. Providing a quality education and various essential services to every CIAS student, in both the Campus and Umbrella Schools, leading towards their future success
3. Providing a safe, nurturing, and dynamic Christ-centered environment for students to learn and grow as whole human beings in the following areas: physical, spiritual, academic, moral, intellectual, psychological/mental, social, and emotional
4. Introducing students to Jesus and the Bible as God's Word, leading them towards developing both a relationship with God as their Creator and a Christian worldview
5. Providing mentoring and counseling as deemed necessary within our school environment, and making recommendations when the psychological needs of a student are beyond what we can provide
6. Helping students develop community awareness and a heart for outreach, ministry, and service
7. Using quality Bible-based curriculum that supports a Biblical worldview and provides a solid foundation for life for all students
8. Using a variety of carefully selected curricula to best serve CIAS students, catering to their learning styles, challenging their academic strengths, and addressing their weaknesses
9. Creating smaller individualized classrooms and Least Restrictive Environments (LRE's) to enable and facilitate optimal student progress and growth

10. Providing students with learning differences, disabilities, and diagnoses (special education/exceptional learners) with equitable opportunities to learn with accommodations and/or modifications as necessary for success, without bias
11. Providing Response to Intervention (RTI) support in three tiers to all students as needed: in class, small-group learning and study groups, and one-on-one tutoring
12. Using data collected from diagnostic and placement assessments, as well as and multiple intelligences/learning styles assessments, to give the best foundation to make decisions and recommendations for curricula choices
13. Using data collected from annual nationally-normed assessments to provide the CIAS stakeholders (including, school administration, teaching staff, parents/guardians, and students) with progress information that is vital to our guidance and counseling efforts, academic planning, and moderation of academic success
14. Assigning a weekly Lesson Plan for each individual Campus School student, based on the curricula that has been chosen by stakeholders for the student, best providing accountability, supervision, and monitoring that each CIAS student needs to be academically successful

SCRIPTURAL FOUNDATIONS

“I have no greater joy than to hear that my children walk in truth.”

3 John 4

“Train up a child in the way he should go: and when he is old, he will not depart from it.”

Proverbs 22:6, KJV

“You shall love the LORD your God with all your heart and with all your soul and with all your might. These words, which I am commanding you today, shall be on your heart. You shall teach them diligently to your sons and shall talk of them when you sit in your house and when you walk by the way and when you lie down and when you rise up.”

Deuteronomy 6:5-7, NASB

“The heir, as long as he is a child, does not differ at all from a slave, though he is master of all; but is under guardians and tutors until the time appointed by the father.”

Galatians 4:1-2, NKJV

“Let no one look down on your youthfulness, but rather in speech, conduct, love, faith and purity, show yourself an example of those who believe.”

1 Timothy 4:12, NASB

“See to it that no one takes you captive through philosophy and empty deception, according to the tradition of men, according to the elementary principles of the world, rather than according to Christ.”

Colossians 2:8, NASB

CIAS PURPOSE STATEMENTS

VISION STATEMENT

Christian Institute of Arts and Sciences' vision is to partner with parents and guardians to prepare their children for future responsibility, ministry, and career. We desire that all graduates leave CIAS equipped with a Biblical worldview, solid academic education, and life skills that will help them to successfully accomplish God's purpose and will for their lives.

MISSION STATEMENT

Christian Institute of Arts and Sciences functions as a private school with an Umbrella School for home schooling families in the local area and beyond, as well as a Campus School serving the local community as a full-time private Christian school with a homeschool model, combining the full services of a private school administration office with the individualized advantages, personal assistance, and accountability needed to make our students' educational experiences a success. CIAS also provides a wide variety of classes both in person and Live-Online School/Google Classroom (academic, fine arts, physical education), subject-specific tutoring lessons and after-school learning labs, educational therapy for special education students (Barton System/NILD), clubs, activities, and field trips to meet the spiritual, academic, physical, social, and emotional needs of our students and their families.

PHILOSOPHY OF EDUCATION STATEMENT

We believe that children are a gift from God to parents and that the education of children is a God-given right and responsibility of parents. Christian parents are commanded by God to instruct their children in the ways of His values, goals, and standards (Proverbs 22:6 and Ephesians 6:4). Education should begin with the foundation of the Bible as the inspired Word of God, the standard of truth in every field of knowledge, and the measure of every moral issue.

Education is the training of a society in the basic values, goals, and standards of that society. Thus our role is to facilitate development of a love and fear for God, obedience to His Word, strong moral character, appreciation of hard work, acquisition of knowledge, and discovery of learning modalities, intelligences, abilities, and life skills. We seek to provide students with a Scripturally sound and academically solid education that will help them to successfully accomplish God's purpose and will for their lives.

With the goal of academic excellence, CIAS administration, staff, and parents/guardians collaborate to develop each student's academic plan after diagnostic and placement assessments, select curriculum, facilitate learning, and monitor success through completion of assignments, testing, projects, and annual nationally-normed achievement testing. Administration, staff, and parents then oversee implementation of the agreed-upon plan and resulting grade reporting and cumulative record development and maintenance. School teaching staff and parents, as adjunct faculty and stakeholders, facilitate instruction effectively for maximum learning success and quantify learning goal achievement, attendance, and other cumulative data.

The CIAS Campus School implements a homeschool model, as well as an integrated classroom model, with general education students and special education students learning together in least-restrictive environment (LRE) classroom settings. Our trained teaching staff serves our exceptional learners (students with learning differences) by facilitating differentiated education with accommodations and modifications, implementing Response to Intervention (RTI) tiers, and utilizing the 2001 Revised Bloom's Taxonomy and Gardiner's Multiple Intelligences. Our team of Reading Specialists organizes and implements a highly functional reading and literacy program on all grade levels.

STATEMENT OF FAITH

Part 1: Preface

Our Statement of Faith includes those truths upon which all true Christians agree. It concerns the person and work of Jesus Christ as revealed in the Holy Scriptures, the Christian Bible. It is the faith once delivered to the saints which distinguishes believers from non-believers (Jude 2, Ephesians 4:5). There are many other precious truths taught in the Bible over which godly men have differed in understanding and interpretation. Therefore, this is not a statement of all that is important to believe, but of all that is essential to believe for Christian fellowship and unity (Romans 15:7).

Part 2: Statement

We believe the Bible, both the Old and New Testaments, to be the inspired, the only infallible, authoritative, inerrant Word of God, our final authority for faith and practice.

We believe that there is one sovereign God, eternally existent in three persons: Father, Son, and Holy Spirit.

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, and in His miracles. Jesus' substitutionary death satisfied divine justice, and His shed blood paid in full the penalty for sin as evidenced by His bodily resurrection. He ascended to the right hand of the Father and will personally return in power and glory.

We believe that the ministry of the Holy Spirit is to convict men, indwell, guide, instruct, comfort, sanctify, and empower the believer for holy living and evangelism.

We believe that humans are created in the image of God (*imago dei*) as male and female (Genesis 1:27 & 5:2).

We believe in the sanctity of human life and that human life begins at the moment of conception.

We believe that through the sin of Adam and Eve, the first man and woman that God created, humanity fell into sin and is therefore lost. Salvation is by grace through faith in Jesus Christ as Savior and Lord, not as a result of good works. Pardon for sin is freely given at the moment of confession when repentance of sin is made, and Christ is received.

We believe in the bodily resurrection of both the saved and the lost; of the saved unto the resurrection of everlasting life and joy with the Lord in heaven, and of the lost unto judgment and everlasting conscious punishment, separated from God in hell.

We believe in the spiritual unity of believers in our Lord Jesus Christ, and the mutual encouragement of the saints of God.

We believe in the sanctity of marriage, ordained by God between a man and a woman, as a sacred depiction of the relationship between Jesus and His bride, the Church, as described in Scripture (Genesis 2:24, Matthew 19, Mark 10, Ephesians 5 & 6).

We believe in the gifts of the Holy Spirit (listed in Romans 12, 1 Corinthians 12, Ephesians 4, & misc. verses), given generously by God to every believer, to exercise the Spiritual Law of Use according to Matthew 25:14-30. These gifts are to be fanned into flame and used to glorify God (2 Timothy 1:65), fulfill the Great Commission (Matthew 28:16-20), and serve one another (1 Pet. 4:10). We believe that the Lord gives different gifts to different people, according to the grace given to us (Romans 12:6).

SCHOOL SPIRIT

The CIAS staff strives to create a positive, uplifting learning environment where our students respect one another, build each other up, and practice kindness and empathy for their fellow classmates, their community, and the world around them. We want to teach them to care about themselves and others so that they can make a difference and shine the light of Jesus.

The Golden Rule is, “Do unto others as you would have them do to you.” And Jesus reminded His disciples, “You are the light of the world. A city that is set on a hill cannot be hidden...Let your light so shine before men, that they may see your good works and glorify your Father in heaven” (Matthew 5:14, 16).

Faith & Family

As CIAS celebrates 26 years of ministry and education in the 2022-23 school year, celebrate these values with us! We will be selling spirit gear (t-shirts & hoodies) as well as hosting Tuesday Chapels, Pep Rallies, and Campus School activities throughout the year to foster school spirit.

ADMISSIONS

ADMISSIONS POLICY

All students are entitled to the rights, privileges, programs, and activities generally made available by the school administration. We believe that all men are made in God's image and hold that discrimination is in violation of the Word of God (Galatians 3:28-29). Therefore, CIAS shall not discriminate on the basis of race, color, national and ethnic origin, or religion.

Any employee or student of the School who discriminates against another employee or student is subject to discipline. Students or employees who believe they have been subjected to harassment or unlawful discrimination based on race, ethnic origin, color, or religion should immediately report their concern to the Principal or her designee. The Principal shall ensure that this policy is understood, abided by, and enforced and shall establish procedures to investigate complaints promptly and take corrective/disciplinary action as necessary.

As outlined in the CIAS Campus Handbook (<https://www.christianinstitute.com/handbooks>), admission is granted to qualified students on a space-available basis at the needed program level. Admission requirements are established for each classroom, subject to staffing and seat availability, with appropriate enrollment caps based on these factors. executive staff review all data to validate the probability of each applicant's ability to succeed in the CIAS program and the School's ability to provide the needed learning support and resources. The application process shall include only information vital to the admission decision.

STUDENT PLACEMENT

Following determination of a vacancy, a records review, including disciplinary records, and an interview with the parent/guardian and student, executive leadership will determine if the student is a good fit for the school and for his/her personal needs. Following conditional admission, the student will then complete an intake academic assessment panel which the Principal will use to make a final determination as to whether the student would benefit from CIAS services and model. If this is validated, the Principal will determine appropriate grade and academic subject levels placement.

ADMISSION PROCEDURES

1. Email or call and talk to a CIAS staff member about CIAS; ask questions!
2. Arrange for a tour of the CIAS Campus School
3. Ask for your child's name to be put on our "Wait List"
4. Request an "Enrollment Packet" from the CIAS office.
5. Fill out the appropriate forms that are applicable to your child and turn in this packet to the CIAS office ASAP:
 - Student Enrollment Form
 - Permission Slip
 - Emergency Information & Medical Release
 - Medication Consent Form
 - Parent Agreement
 - Student Conduct Code (appropriate version)
 - Medical Records: legible copy of birth certificate(s), up-to-date immunization certificates (DH 680/681 with correct Codes), new School Entrance Health Examination, etc.
 - Previous school records: report cards, transcripts, achievement test records, most recent IEP, etc.
6. Schedule an initial interview consultation with the Principal or a CIAS Administration staff member.
7. After acceptance, arrange to have your child complete our Diagnostic and Placement Assessments at the CIAS Campus School.
8. After these assessments are evaluated by CIAS administrative staff, schedule an Academic Planning Consultation with the CIAS Principal to formulate an academic plan (Curriculum List) for each student enrolling and a Diploma Plan for each high school student enrolling.
9. Respond to contact from the CIAS Records Clerk to receive information regarding the CIAS grade reporting system.

Campus School student(s), by the first Friday of the school year:

- Provide adequate contact information about preceding school so that the CIAS records office staff can send a Records Request for Cumulative Files to be forwarded to us
- Submit medical records: a legible copy of birth certificate(s), an up-to-date immunization certificates (DH 680/681 with correct Codes), and a new School Entry Health Exam form (DH3040)

- Provide all academic records: report cards, transcripts, achievement test results, disciplinary reports, etc.

Umbrella School/homeschooled student(s), by the first Friday of the school year:

- Mail Letter of Termination to local school board
- Submit medical records: a legible copy of birth certificate(s), an up-to-date immunization certificates (DH 680/681 with correct Codes), and a new School Entry Health Exam form (DH3040)
- Provide all academic records: portfolio evaluations, report cards, transcripts, achievement test results, etc.

If transferring from outside the State of Florida, by the first Friday of the school year:

- Follow your local procedures for terminating home schooling in that state
- Submit medical records: a legible copy of birth certificate(s), an up-to-date immunization certificates (DH 680/681 with correct Codes), and a new School Entry Health Exam form (DH3040)

Military families from Florida stationed outside the United States or Missionary families overseas:

- Maintain normal enrollment status in accordance with Florida education laws.

IMMUNIZATION CERTIFICATES & DOCUMENTATION

By the first Friday of each school year annually, parents/guardians must submit a current and up-to-date Florida Certificate of Immunization (DH680) for each student enrolled. You may obtain this form from your doctor's office or the local health department office. For a student who is not fully immunized and cannot receive vaccines due to medical contraindication, please submit a permanent medical exemption form.

DH608 Codes

Make sure that your child's DH680's codes are recorded correctly before you submit them to CIAS office:

- **Part A (K-6th) Code 1:** Select this option for children with the required immunizations, entering kindergarten through 6th grade.
- **Part A (7-12th Grade) Code 8:** Select this for children with the required immunizations, entering 7th through 12th grade. Florida SHOTS will verify that the child also meets the requirements for a Code 1 before generating a certified Code 8.
- **Part B:** Select this for children who are up-to-date, but still require one or more immunizations to attend school or daycare. This is a temporary medical exemption and needs an expiration date.
- **Part C (Permanent Medical Exemption):** This is for children who are technically up-to-date, but because they have a permanent medical reason for not receiving one or more specific vaccines. Part C may be issued in conjunction with Part A or Part B. Both Part A and C, or B and C, would be selected if you have a patient with a permanent medical exemption. Rarely, children may have a permanent medical exemption to all vaccines, and in this case, only a Part C is issued.

Exemption From Immunization Certificate- DH681

This form is issued when a parent/guardian files a written objection to immunization stating that the administration of immunizing agents conflicts with his religious tenants or practices. Florida Statutes 232.032

SCHOOL ENTRY HEALTH EXAMS

By the first Friday of each school year, parents/guardians must submit a 2-page "School Entry Health Exam" form (DH3040) performed within 1 year prior to the start date of the Kindergarten school year **or** any other student whose admission to CIAS constitutes that child's initial entrance into a public or non-public school in the State of Florida.

By the first Friday of each school year annually, each CIAS students' parents/guardians must submit a new/updated 2-page "Student Entry Health Exam" form (DH3040); this is to eliminate out-of-compliance health records.

Scoliosis Screening

Students in Grade 6 (and all students in Grades 7-12 if they missed their Grade 6 screening) must be screened for scoliosis, either by their pediatrician/primary care physician (PCP) and recorded/checked on their DH3040, or by a registered nurse at CIAS' annual scoliosis screening date, scheduled in the early fall of the school year (Sep./Oct.). Parents may not opt their children out of scoliosis screening completely.

Exemption from School-entry Medical Examination

If a school entry medical examination conflicts with your religious beliefs, convictions, tenets, or practices, then you must submit an email or letter stating your objections on religious grounds. "Any child shall be exempt from the requirement of a health examination upon written request of the parent or guardian of such child stating objections to such examination on religious grounds" -Florida Statutes Section 232.0315(1).

FREQUENTLY ASKED QUESTIONS ABOUT TUITION

IS TUITION PRORATED?

No. Umbrella School enrollment and tuition is required in full for a year, regardless of however late in the school year students are enrolled; therefore Umbrella School tuition is not prorated. Campus School tuition is pro-rated according to enrollment date.

IS TUITION A CHARITABLE DONATION?

No. We are asked this question often enough to post this notice: Payment of CIAS tuition does not qualify as a charitable donation because it is a contribution from which you benefit.

"You cannot deduct as a charitable contribution amounts you pay as tuition even if you pay them for children to attend parochial schools or qualifying non-profit daycare centers. You also cannot deduct any fixed amount you must pay in addition to, or instead of, tuition to enroll in a private school, even if it is designated as a 'donation.'" -IRS

CAMPUS SCHOOL TUITION POLICIES

1. Tuition invoice are mailed to parents of CIAS Campus School students on an Excel worksheet.
2. Sometimes, students’ tuition invoices have overages, costs incurred beyond the coverage of their scholarship funding. The Step Up for Students foundation states that parents are responsible to arrange for payments for any overages incurred.
3. If you do not receive your invoice by the first Tuesday of each month, please let us know by sending an e-mail with “*Bookkeeping*” in the subject line to bookkeeper@christianinstitute.com
4. Campus School tuition is to be paid MONTHLY, and is charged according to how many billable Mondays are in a month. For example, this sample August calendar has five (5) Mondays; therefore, this month would be billed for five (5) weeks of tuition.

5. All normal tuition fees are due, regardless of any absences, excused or unexcused, at the discretion of CIAS administration. Official school holidays will not be billed (these are posted on the CIAS website on the School Calendar and updated annually).
6. Tuition/tutoring bills are due by the second Tuesday of each month, or within that school week.
7. Payments will be accepted by cash, check, credit card (Visa, Master Card, and Discover), and Paypal on our website: <http://christianinstitute.com>. You must have a Paypal account in order to pay your tuition bill via Paypal.
8. Tuition accounts must be kept current in agreement with school administration.
9. Parents of students enrolled in CIAS agree to pay a \$35 penalty for each monthly payment that is submitted late. A late fee will not be added to a bill if it is paid within the working week of the date in which it is due
10. Tuition may be post-dated for one week after bills are due, but no later. All payments received or checks dated later than one full week after the due date will be considered late.
11. If outstanding tuition is not paid within 30 days of its due date, then student will be disenrolled from CIAS, and tutoring services will be terminated. A student may be re-enrolled again, paying another \$35 Enrollment Fee.
12. Classes may be paid monthly or one time. The biology lab will be billed in one installment.
13. All diagnostic/screening assessments will be billed within the month in which they are administered and evaluated.
14. All ACE Paces, schoolbooks, or Lesson Plan Books (LPB) will be billed within the month in which they are given to students.
15. Iowa Assessments test fees will be due by the first day of the test dates (Monday).
16. There is a \$35 service charge on all bounced checks.

SCHOLARSHIPS

Many Campus School students attend full time (5-days-per-week) at our brick-and-mortar schoolhouse located at 2007 North 61st Avenue in Pensacola, Florida, due in part to the funding of Florida-based School Choice scholarship programs. These include, but are not limited to the following scholarships:

Step Up for Students Scholarships:

<https://www.stepupforstudents.org/>

FTC

FES-EO

FES-UA

HOPE

Personalized Education Program (PEP) Recipients:

Florida students who are not full-time private or public school students can access the Personalized Education Program (PEP) through the Florida Tax Credit Scholarship Program. This scholarship provides an educational savings account (ESA) to fund the educational needs of eligible students.

For more information: <https://www.stepupforstudents.org/scholarships/personalized-education-program/>

All CIAS Umbrella School services and some Campus School services are approved for PEP students, as long as they are not enrolled in our full-time Campus School option. CIAS services must be pre-paid to the school; then you will submit for reimbursement via your ESA account. Please talk about this program with us in person when you visit the school office or call to discuss your options.

CIAS does not currently accept AAA foundation scholarships.

CIAS Scholarships

CIAS has donor-funded scholarships available for CIAS-issued scholarships, as need may arise.

Tuition Statement

All Campus School parents will be emailed their tuition invoice/bill sometime in late July or early August. Some students will have overages that are not covered by their scholarships, so a payment plan is proposed in this Tuition Statement. The email with the tuition invoice/bill attached asks for a response from parents, agreeing to the tuition invoice/bill and proposed payment plan. The bookkeeper can always be reached by emailing bookkeeper@christianinstitute.com.

ACADEMICS & CURRICULA

There is an unlimited list of excellent curricula and coursework that is now available for private school teachers and homeschooling parents. CIAS utilizes an eclectic approach to choosing curriculum, utilizing a wide variety of curriculum that is differentiated to challenge and address each student's academic needs. The curriculum that CIAS uses is a mixture of mostly Christian and some secular. The list of approved curriculum used at the CIAS Campus School includes, but is not limited to, the following:

- Accelerated Christian Education (ACE)
- Alpha Omega (Lifepacs, Switched-on-Schoolhouse, etc.)
Apologia
- Barton Reading & Spelling System
- Bob Jones University Press
- Educators Publishers Services/School Specialty (Explode the Code, Writing Skills, etc.)
- Five in a Row (a Charlotte Mason method of unit study)
- Florida Virtual School (FLVS Flex)
- Harcourt Brace
- Logic of English Manuscript
- Modern Curriculum Press
- Notgrass
- Pearson
- Rod & Staff Publishers
- Saxon Math
- Scholastic
- Spelling Power
- Teaching Textbooks Math
- Writing With A Purpose

CIAS classroom teachers use Lesson Plan Books customized for CIAS by Datebooks to record the assignments and completed schoolwork for each student on a daily basis, while class teachers create specialized lesson plans for the classes that they teach. CIAS students strive to meet each class' set of Learning Objectives and Standards of Learning (SOL's).

CIAs Campus School teachers also utilize Teachers Pay Teachers and various online printable resources.

See the published *CIAS Scope and Sequence* to see the Learning Objectives and/or Standards of Learning (SOL's) for Grades K5-8, and the comprehensive course code charts for all subject courses/credits for Grades 9-12.

INTEGRATION OF TECHNOLOGY

CIAS has extensively integrated the use of technology devices in our classroom learning environments on a daily basis, including the use of laptops, tablets, iPads, Chromebooks, smart tv's, cell phones, and applications (apps) such as the following:

- Quizlet
- Khan Academy
- YouVersion
- Teach Me
- ABCmouse
- Achievement Academy
- Reading Eggs
- Explode the Code
- Barton System of Reading and Spelling

GOOGLE CLASSROOM

We use the Google Classroom platform for all homeroom classrooms, classes, and labs. All CIAS students are assigned CIAS email addresses and provided log-in information. Our students are regularly encouraged to use the internet and credible online resources for research, to take formative assessments via Google Forms, to join online writing lab sessions or Live-Online classes via Google Meet, and to utilize Google Docs and Slides to create documents, write papers, do collaborative projects with classmates, present speeches, and produce formative assessment projects.

READING & LITERACY PROGRAM

READING STRATEGIES

CIAS uses 3 types of reading strategies on a daily basis and in our reading and literature classes to address our students reading and literacy needs.

- 1. Guided Reading:** Guided reading is completed during the course of a daily school schedule at CIAS. Teachers guide students (in small groups or whole classrooms) to read and interact with a study guide which integrates multiple levels of Bloom’s Taxonomy. Guided reading texts are chosen by the teacher, and are a little beyond the students’ reading abilities. Guided is “the stepping stone between choice and shared reading. It is the bridge that will lift your students’ ability. Over time, students’ reading levels will advance and the books that they choose for choice reading will become increasingly complex” (Witter & Levin, 2013, p. 13)
- 2. Choice Reading:** Lifelong learners read books, and at CIAS, we want to help our students learn to love to read. So we build plenty of time in our school days for our students to read books that they can comfortably read on their own. CIAS students spend time each day reading chapter books of their choice. Students may check these books out of the CIAS library, the West Florida Public Library system, or bring books from home that they wish to read. These books are not necessarily on grade level, nor are they from a particular list of approved titles. They can include popular titles, classic titles, Newberry Medal winners, Caldecott winners, manga, comics, biographies, fiction and nonfiction, etc. Typically, our elementary students spend a minimum of 15-20 minutes a day choice reading, while middle and high school students read a minimum of 30 minutes per day.
- 3. Shared Reading:** Students who are engaged in shared reading exercises will, together with their teacher, analyze a text that is on grade level or slightly above, “going from literal to inferential interpretations” (Witter & Levin, 2013, p. 10). Shared reading is an “interactive reading experience in which the readers engage with an expert reader, the teacher” (Witter & Levin, 2013, p. 10). The teachers choose these reading materials, intended to challenge their students. This is considered critical analysis, and teaches students thinking skills. Shared reading may include close reading, as well as assigned independent reading and classroom discussion.

Author James Patterson has said. “The best way to get kids reading more is to give them books they’ll gobble up – and that will make them ask for another...Freedom of choice is a key to getting them motivated and excited.”

Witter, M., & Levin, D. (2013). Reading Without Limits: Teaching Strategies to Build Independent Reading for Life (1st ed.). Jossey-Bass.

INFORMAL READING INVENTORY

CIAS uses the Roe/Burns Informal Reading Inventory (IRI) to assess three areas of reading skill and strength for each student:

1. Reading fluency/decoding
2. Silent Reading Comprehension
3. Oral Reading Comprehension

This IRI is an effective tool to help our teaching staff and administration determine what reading levels our students should be able to function at in guided reading, choice reading, and shared reading.

The Roe/Burns IRI is administered to each newly enrolled incoming student, as well as during the first and last 9 weeks of each school year. It can help teachers “discover the levels of reading materials (students) can read both with and without teacher assistance, the levels at which (students) should not be asked to function, and the levels at which they can

comprehend material that is read to them. It serves as a placement and monitoring tool for teachers” (Roe & Burns, 2006, p. 1). The Roe/Burns IRI reveals three levels of reading for each student:

1. Independent Reading Level
2. Instructional Level
3. Frustration Level

The questions focus on the following reading comprehension skills: main idea, detail, inferences, sequences, cause-and-effect, and vocabulary questions.

Roe, B., & Burns, P. C. (2006). *Informal Reading Inventory: Preprimer to Twelfth Grade* (7th ed.). Wadsworth Publishing.

READING INTERVENTION & TUTORING

When a student with a diagnosis of dyslexia or an IEP for specific learning disability in reading enrolls in CIAS, we take this diagnosis seriously. As part of our RTI intervention, these students are quickly identified and moved into Tier 2 small reading groups, and if needed into reading tutoring or therapy. CIAS utilizes two different dependable and long-respected Orton-Gillingham methods to teach pre-phonemic awareness and phonics, the Barton Reading & Spelling System tutoring and National Institute of Learning Development (NILD) therapy.

Barton System: <https://bartonreading.com/>

NILD: <https://www.nild.org/>

Our resident Reading Specialist is Mrs. Julie B. Jones, the Administrator and Founder of CIAS. She has over 60 years of experience as a classroom and homeschool teacher, tutor, and educational therapist. She provides final evaluation of all Roe/Burns IRI’s as well as conferences with classroom teachers to address reading issues with their students. She is a trained Barton tutor, as well as a nationally certified NILD therapist. She meets with her students 1-3 days per week for 1 ½-hour sessions.

Our Barton tutor is Mrs. Kate Newkirk, who has 45 years of experience in RTI and reading intervention. She meets with her students 4 days per week for 20-30-minute sessions.

Ms. Mary Beth Jones, our Principal, is also a Reading Specialist, and as such, coordinates our reading and literacy program, liaisons between parents and teachers, chooses reading curriculum and methods, and organizes regular IRI assessments for all CIAS who have been identified as needing reading intervention.

Mrs. Lee Hutchinson administers Roe/Burns IRI’s to all newly enrolled incoming students during each summer session.

All CIAS Campus School teachers are trained to administer Roe/Burns IRI’s during both the 1st and 4th quarters of the school year to all students whose reading skills have been identified as needing monitoring.

HOMEROOM CLASSROOMS

CIAS currently has five homeroom classrooms, taught by teacher teams:

- 1 Early Elementary School (K-2nd)- Kingdom Class
- 1 Upper Elementary School (3-5th)- Blue Class
- 1 Middle School (6-8th)- Main Class
- 3 High School (9-12th)- Garage Class, Squad Class & Green Class

Our teacher-to-student ratio is currently 1:8.

STUDENT STATUS TERMINOLOGY

Campus School Student: A student who comes to the Campus School for school. The Campus School teachers do their lesson planning, proctoring, grading, and record keeping.

Umbrella School Student: A student who is homeschooled by their parents at home. Parents do their lesson planning, proctoring, grading, and record keeping.

Campus Flex/Hybrid Student: A student who attends the Campus School part-time and/or Live Online, or attends class(es) at the Campus School and whose Campus School teachers do their lesson planning, proctoring, grading, and record keeping.

Umbrella Flex/Hybrid Student: A student who attends the Campus School as a floater or attends class(es) at the Campus School and whose parents do their lesson planning, test proctoring, grading, and record keeping.

Live-Online Student: A CIAS student who logs into our Google Classroom/Meet learning platform and receives guidance, direction, instruction, and support from a CIAS Campus School teacher on a full-time or part-time basis

EARLY ELEMENTARY CLASS (EEL)

KINDERGARTEN ADMISSION POLICY

CIAS follows the Florida law (Section 1003.21(1)(a)2, Florida Statutes), which specifies that children who have attained the age of five years on or before September 1 of the school year are eligible for admission to public kindergarten during that school year based on rules prescribed by the school board. Therefore, if a child has not reached the age of 5 on or before September 1, he/she will not be admitted.

INCLUSIVE CLASSROOM

CIAS' early elementary (EEL) class, the Kingdom Class, is a multi-grade level classroom for our Kindergarten, 1st, and 2nd grade students. The EEL Classroom seats xxx students. They have a daily class schedule which includes group learning activities, concept learning, station activities, small collaborative group activities, independent schoolwork, and one-on-one tutoring. Many of our students receive RTI interventions at Tiers 1-3 as needed.

TEACHER TEAM

The EEL class has a Teacher + several Teacher's Aides and Student Helpers who assist her/him. A Reading Specialist assists them with daily pull-out sessions for various students receiving reading tutoring/therapy.

SUBJECT AREAS

General Curriculum: Explode the Code, Five in a Row (FIAR), ACE Paces, Rod & Staff, Be Wise, Apologia, tablet learning apps, and many more

Phonics: Explode the Code (ETC), an Orton-Gillingham approach

Reading: Leveled readers, Bob Books, etc.

Handwriting/Penmanship: Rod & Staff, Handwriting Without Tears, various others

Activity-based Group Learning: Five in a Row (FIAR), a unit study approach which integrates English language arts (ELA), social studies, history, world studies and geography, science, and art

Concept Learning: Targeted learning that tackles foundational academic concepts in core subject areas, such as math, ELA, etc.

Technology Integration: The Kingdom Class students have daily access to iPad learning apps to supplement their curriculum and learning.

SEL: All day, every day, learning how to be respectful, kind, and thoughtful of others.

UPPER ELEMENTARY CLASS (UEL)

INCLUSIVE CLASSROOM

CIAS' upper elementary (UEL) class, the Blue Class, is a multi-grade level classroom for our 3rd-5th grade students. The UEL homeroom classroom seats **xxx** students. They have a daily class schedule which includes group learning activities, concept learning, station activities, small collaborative group activities, independent schoolwork, and one-on-one tutoring. Many of our students receive RTI interventions at Tiers 1-3 as needed.

TEACHER TEAM

The UEL class has a Teacher + several Teacher's Aides and Student Helpers who assist her/him. A Reading Specialist assists them with daily pull-out sessions for various students receiving reading tutoring/therapy.

MIDDLE SCHOOL CLASS (MS)

INCLUSIVE CLASSROOM

CIAS' middle school (MS) class, the Main Class, is a multi-grade level classroom for our 6th-8th grade students. The MS homeroom classroom seats **xxx** students. They have a daily class schedule which includes group learning activities, independent schoolwork, independent and collaborative projects and learning labs, and one-on-one tutoring. Many of our students receive RTI interventions at Tiers 1-3 as needed.

TEACHER TEAM

The MS class has two Co-Teachers, plus a Teacher's Aide. A Reading Specialist assists them with daily pull-out sessions for various students receiving reading tutoring/therapy.

HIGH SCHOOL CLASSES (HS)

INCLUSIVE CLASSROOMS

CIAS' three high school (HS) classrooms are named the Garage Class, the Squad Class, and the Ocean Class. They are multi-grade level classrooms for our 9th-12th grade students. Our high school students are grouped according to learning needs, student and teacher personalities, and space available in Least Restrictive Environments classrooms (LRE's), created for our students' ultimate success. The Garage Classroom seats **xxx** students, while the Squad Classroom seats **xxx** students and the Ocean Class seats **xxx** students. The high school classrooms follow a daily class schedule which includes group learning activities, independent schoolwork, independent and collaborative projects and learning labs, and one-on-one tutoring. Many of our students receive RTI interventions at Tiers 1-3 as needed.

TEACHER TEAM

The HS classes have several different teacher team patterns, including two Co-Teachers and a Teacher + Teacher's Aide. A Reading Specialist assists them with daily pull-out sessions for various students receiving reading tutoring/therapy.

CLASSES

CIAS offers a wide variety of academic, fine arts, and elective classes from year-to-year. The current list of classes being offered are posted on the CIAS website here: <https://tboomerj7.wixsite.com/christianinstitute/class-info>

The following classes are being offered currently:

Academic Classes: Automatic Registration

Middle School Grade Reading Class (guided reading class/Part of Daily Schedule/full year)

EDUCATIONAL MODELS & THEORIES

BLOOM'S REVISED TAXONOMY

When planning CIAS classroom and class instruction, teachers utilize Bloom's taxonomy and Gardener's theory of Multiple Intelligences in order to ensure that their instruction is engaging and meaningful.

Bloom's Taxonomy was updated in 2001 to integrate technology and flip the paradigm and update terminology. The goal of the CIAS school program is to engage students at multiple levels of learning, not just depending on students' rote memory skills to remember, but also move up the levels of learning experiences to include understanding, applying, analyzing, evaluating, and creating.

For more information about Bloom's Taxonomy:
"What is Bloom's Digital Taxonomy?"

<https://www.youtube.com/watch?v=fqgTBwEIPzU>

GARDINER'S MULTIPLE INTELLIGENCES & LEARNING STYLES

Gardiner's theory of Multiple Intelligences describe different ways that people, ad students in particular, learn and/or interact with their world. Most students utilize more than one of these:

- Auditory-Musical
- Bodily-Kinesthetic
- Interpersonal
- Intrapersonal
- Logical-Mathematical
- Linguistic (language)
- Naturalist
- Visual-Spatial

At CIAS, we do our best to identify our students' learning styles & intelligences, as it helps us to provide the best education model for them.

MASLOW'S HIERARCHY OF HUMAN NEEDS THEORY

At CIAS we seek to address “the first things first.” In our school’s foundation, we recognize that Jesus is the cornerstone of our lives, and He commands us as teachers, shepherd, and caretakers of children to care for His children, His sheep, just like He would. So in that spirit, if a student comes to school and they have not eaten breakfast, we will provide that. Or if they come to school and do not have enough to eat or drink, we can provide that. If they need a change of clothes, we will seek to solve that. If a student needs to talk instead of be instructed, we seek to recognize that and provide them the opportunity to do so.

Abraham Maslow, an American psychologist, studied positive human qualities in the lives of exemplary people, and in 1954 created the Hierarchy of Human Needs to express his theories. This list of descriptions is not comprehensive, but expresses our application of the Hierarchy here in the Christian environment of CIAS.

BASIC NEEDS

Physiological Needs:

Breathing, food, water, shelter, clothing, rest/sleep, place/space to use the restroom

Safety and Security:

Body autonomy and safety of family, health, employment, resources, and property

PSYCHOLOGICAL NEEDS:

Love and Belonging:

Family, friendship, intimacy, achieving deeper relationships, and sense of connection

Esteem Needs:

Self-esteem, confidence, recognition, honor, achievement, accomplishment, respect of others, respect by others, and the need to be an unique individual (created in the image of God)

SELF-FULFILLMENT NEEDS:

Self-Actualization:

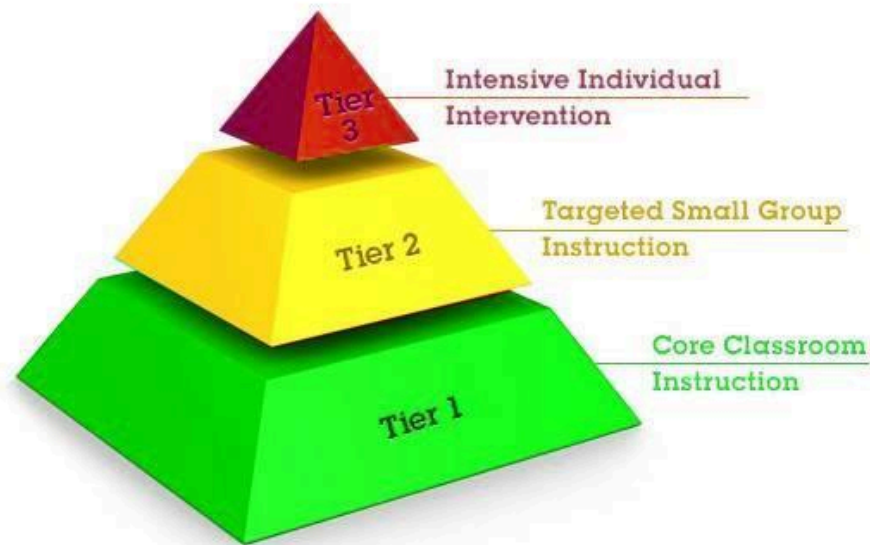

Morality, creativity, spontaneity, acceptance of one’s self, problem solving, lack of prejudice, acceptance of facts, find purpose in life, find meaning of life, and develop inner potential

RESPONSE TO INTERVENTION (RTI)

RTI (Response To Intervention) 3 Tiers of Support

CIAS implements an organized Response to Intervention (RTI) approach to identifying and supporting our students who have learning and behavior needs. The following information is from the RTI Action Network and the National Center for Learning Disabilities; it can be found here: <http://www.rtinetwork.org/learn/what/whatisrti>

“Response to Intervention (RTI) is a multi-tier approach to the early identification and support of students with learning and behavior needs. The RTI process begins with high-quality instruction and universal screening of all children in the general education classroom. Struggling learners are provided with interventions at increasing levels of intensity to accelerate their rate of learning. These services may be provided by a variety of personnel, including general education teachers, special educators, and specialists. Progress is closely monitored to assess both the learning rate and level of performance of individual students. Educational decisions about the intensity and duration of interventions are based on individual student response to instruction. RTI is designed for use when making decisions in both general education and special education, creating a well-integrated system of instruction and intervention guided by child outcome data.

For RTI implementation to work well, the following essential components must be implemented with fidelity and in a rigorous manner:

1. High-quality, scientifically based classroom instruction. All students receive high-quality, research-based instruction in the general education classroom.
2. Ongoing student assessment. Universal screening and progress monitoring provide information about a student’s learning rate and level of achievement, both individually and in comparison with the peer group. These data are then used when determining which students need closer monitoring or intervention. Throughout the RTI process, student progress is monitored frequently to examine student achievement and gauge the effectiveness of the curriculum. Decisions made regarding students’ instructional needs are based on multiple data points taken in context over time.
3. Tiered instruction. A multi-tier approach is used to efficiently differentiate instruction for all students. The model incorporates increasing intensities of instruction offering specific, research-based interventions matched to student needs.
4. Parent involvement. Schools implementing RTI provide parents information about their child’s progress, the instruction and interventions used, the staff who are delivering the instruction, and the academic or behavioral goals for their child.

Though there is no single, thoroughly researched and widely practiced “model” of the RTI process, it is generally defined as a three-tier (or three-step) model of school supports that uses research-based academic and/or behavioral interventions. The Three-Tier Model is described below.

Tier 1: High-Quality Classroom Instruction, Screening, and Group Interventions

Within Tier 1, all students receive high-quality, scientifically based instruction provided by qualified personnel to ensure that their difficulties are not due to inadequate instruction. All students are screened on a periodic basis to establish an academic and behavioral baseline and to identify struggling learners who need additional support. Students identified as being “at risk” through universal screenings and/or results on state- or districtwide tests receive supplemental instruction during the school day in the regular classroom. The length of time for this step can vary, but it generally should not exceed 8 weeks. During that time, student progress is closely monitored using a validated screening system such as curriculum-based measurement. At the end of this period, students showing significant progress are generally returned to the regular classroom program. Students not showing adequate progress are moved to Tier 2.

Tier 2: Targeted Interventions

Students not making adequate progress in the regular classroom in Tier 1 are provided with increasingly intensive instruction matched to their needs on the basis of levels of performance and rates of progress. Intensity varies across group size, frequency and duration of intervention, and level of training of the professionals providing instruction or intervention. These services and interventions are provided in small-group settings in addition to instruction in the general curriculum. In the early grades (kindergarten through 3rd grade), interventions are usually in the areas of reading and math. A longer period of time may be required for this tier, but it should generally not exceed a grading period. Students who continue to show too little progress at this level of intervention are then considered for more intensive interventions as part of Tier 3.

Tier 3: Intensive Interventions and Comprehensive Evaluation

At this level, students receive individualized, intensive interventions that target the students’ skill deficits. Students who do not achieve the desired level of progress in response to these targeted interventions are then referred for a comprehensive evaluation and considered for eligibility for special education services under the Individuals with Disabilities Education Improvement Act of 2004 (IDEA 2004). The data collected during Tiers 1, 2, and 3 are included and used to make the eligibility decision.

It should be noted that at any point in an RTI process, IDEA 2004 allows parents to request a formal evaluation to determine eligibility for special education. An RTI process cannot be used to deny or delay a formal evaluation for special education.”

CIAS TESTING POLICY

STUDENTS WITH SPECIAL NEEDS (ESE/SPED)

Some students have special needs that may make it difficult for them to demonstrate their true achievement through the standard testing procedures. Nearly all of these students would have been identified as eligible for special education services and would have an *Individualized Education Program* (IEP), an *Individualized Accommodations Plan* (IAP), or a *Section 504 Plan*. The IEP or other plan ordinarily indicates whether the student should receive testing accommodations during school-system-wide assessments and what the nature of those accommodations should be. If the primary goal of using the *IOWA Assessments* is to obtain information that will have value for planning and implementing instruction, aspects of testing that might provide false readings of a student's achievement should be altered so the best possible information can be obtained. That is the goal of providing testing accommodation to students.

ACCOMMODATIONS

A testing **accommodation**, as the term is used here, refers to a change in the procedures for administering an assessment. The accommodation is intended to reduce as much as possible the effect of a student's special needs or limited English language proficiency on the assessment process, so that the student is assessed on an equal footing with all other students. Testing accommodations do not change the *kind* of achievement being measured; they change *how* that achievement is measured. If chosen appropriately, an accommodation will provide neither too much nor too little help to the student who receives it.

MODIFICATIONS

A testing **modification** is a change in the procedures for administering a test that may affect the constructs being measured. For example, reading aloud the Reading test represents a modification. A modification is sometimes necessary when an accommodation is not possible. A testing modification may lead to scores that differ in meaning between students who received the modification and those who did not receive it. Local, school system, or state policy usually determines whether these scores should be interpreted differently.

ENGLISH LANGUAGE LEARNERS (ELLs)

The purpose of using accommodations with English language learners is to be able to measure skills and knowledge related to the curriculum without significant interference from their limited opportunity to learn English and use it during assessment. Local, school system, or state guidelines should be followed when making decisions related to accommodations for ELL students.

TYPICAL ACCOMMODATIONS

The testing accommodations most frequently provided to students with IEPs or Section 504 plans, and accommodations sometimes provided to ELL students are described in detail below:

Read Aloud/Auditory

Students with reading disabilities may need to have parts of tests or some complete tests read to them so their disabilities do not interfere with the measurement of their achievement. This accommodation allows the student to be tested in an environment that is least restrictive. Assessment proctors read as much of the test instructions, directions, questions, reading sections, and answers as needed in a modulated voice that does not indicate the answer in any way under any circumstances.

Tested Off Level

Out-of-level testing should be considered for students who, in most curricular areas, are working at an instructional level different from that of their grade peers. For example, a lower-level test may align better with some students' learning opportunities and experiences than the on-level test for their grade.

Repeated Directions

Directions may be read aloud as many times as necessary to ensure the students understand what they are supposed to do. Exceptions are the individual item scripts in Word Analysis and Listening at Level 9, which should not be repeated or translated. In addition, a test administrator who is fluent in signing or cueing methods used by a student may need to repeat directions or certain portions of the test administration to clarify procedures for the student.

Assistance with the Answer Document

An assistant or proctor may record a student's answers on the answer document if the student is unable to do so because of physical impairment.

Extended Time

Some students may need to have time limits on some tests extended to reduce the effect of a slow work rate on the test performance. Those who use magnifiers, have attention disorders, or need help with word identification are examples. Guidance from the student's IEP should be followed where extended time is appropriate.

Separate Location

A separate room should be made available for students who might be distracted by the pace at which their peers work, who may need extra breaks, or who might be disruptive in a larger group.

Scribing

This accommodation allows the student to be tested in an environment that is least restrictive. The student must indicate the answer that they think best answers the question, after which the assessment proctor may fill in the space in the answer folder that the student indicates with a sharpened #2 pencil.

Test Administered By ELL or SPED Teacher

This accommodation allows the student to be tested in the environment that is most comfortable. Also, it makes other accommodations more readily available if their need was not anticipated at the outset of the test administration.

Other

Accommodations noted in a student's IEP, but not included in this list, may be used (i.e. noise-cancelling headphones, etc.). However, they should be used only if doing so will not alter the nature of the achievement the test is intended to measure.

WHAT IS A GPA?

The grade point average required for graduation from CIAS is a minimum of 2.0. This applies to all diploma programs. CIAS uses weighted (1.0-5.6) and unweighted (1.0-4.0) GPA scales. All Dual Enrollment (DE) classes and Honors courses are worth 1 extra grade point on the weighted GPA scale.

Grading & Evaluation Scale

CIAS holds high standards and requirements for all enrolled families. We realize that each home and family is unique and will meet these standards in a variety of ways.

Kindergarten & Grades 1-2 Progress Rating Key:

- A: Mastery/Excellent/Always
- B: Partial Mastery/Good/Almost Always
- C: Progressing/Satisfactory/Sometimes
- N: Emerging/Not Yet/Not Consistently

All **Elementary & Middle School Grades** must use test grade percentages for tested material and either letter grades or numerical grades for any untested material.

All **High School Grades** must use test grade percentages for accuracy of transcripts and letter grades for any untested material.

ACADEMIC GRADE SCALE:

A+	98-100%	4.3 GPA, Weighted	Excellent
A	94-97%	4.0 GPA, Weighted	
A-	90-93%	3.7 GPA, Weighted	
B+	87-89%	3.3 GPA, Weighted	Good
B	84-86%	3.0 GPA, Weighted	
B-	80-83%	2.7 GPA, Weighted	
C+	77-79%	2.3 GPA, Weighted	Average
C	74-76%	2.0 GPA, Weighted	
C-	70-73%	1.7 GPA, Weighted	
D	60-69%	1.0 GPA, Unweighted	Below Average/Not an acceptable grade
F	59%-below	0.0 GPA	Failing/Not an acceptable grade

PERSONAL GROWTH, CITIZENSHIP, AND CHARACTER EVALUATION GRADING SCALE:

- E Excellent
- S Satisfactory
- N Needs Improvement
- U Unsatisfactory

HONORS & AWARDS INFORMATION

HONORS CREDIT & STATUS POLICIES

Explanation of Honors Student vs. Honors Credit:

Honors credit- Completion of 100% of a course, on or above grade level (for approved curriculum only)

Honors student- Completion of 2 core subject courses at or above grade level with Honors Credit - Math, English Language Arts (ELA), Social Studies/History, or Science

Honors student- Completion of 80% of work in 2 core subject courses above grade level

If a student is an Honor Student and receives a grade of D or F in a class/course, they will lose their Honor Student status for the next/following school year. Example- If a 10th grade Honors Student receives a D in a class, then they cannot be 11th grade Honor Student during the next school year

Students can still take Honors credit classes, even if they lose their Honor Student status.

Some curriculum cannot be considered Honors due to lack of academic rigor and/or lower learning objectives and SOL's.

HONORS AWARDS

CIAS recognizes students throughout each school year in a number of ways, including awards, distinctions, and recognitions at the annual spring Awards Ceremony and Arts Expo. These are also documented on report cards and transcripts. These recognitions vary with the activities and involvements of the students, and may include, but are not limited to, music, dance, theater and sports accomplishments, academic successes, and recognition/awards for special projects, i.e., National History Week.

A and A/B Honor Roll Award

The A/B Honor Roll Award is given to CIAS students who made mostly A's and B's during a school year; only two C grades are allowed per school year. Umbrella School students may receive A or A/B Honor Roll recognition on their Report Cards and Transcripts. Campus School students may also receive A or A/B Honor Roll recognition on their Report Cards and Transcripts; these Campus School students will be honored with certificates at the spring annual Award Ceremony.

Academic Excellence Award

The Academic Excellence Award is given to CIAS Campus School students who have achieved the highest level of discipline, academic accomplishment, and model behavior of all our Campus School students during this school year. Many of these students finished their grade-level schoolwork by Spring Break and began their next grade level courses in the 4th quarter. These Campus School students will be honored with certificates and trophies at the spring annual Award Ceremony.

GRADUATING SENIOR AWARDS

CIAS offers awards to the graduating class of high school seniors each spring during the Graduation Commencement Ceremony:

Honors: Cum Laude, Magna Cum Laude, and Summa Cum Laude Honor Roll

This award/certificate/trophy is awarded to all seniors who maintained a 3.5, 3.8, or 4.0 unweighted GPA throughout the four years of high school. These seniors wear a stole during their graduation ceremony.

Qualifications:

1. Must make a 3.5 or higher unweighted GPA
2. Must take Honors and/or Dual Enrollment classes

Principal's Award

This award/certificate/trophy is awarded to seniors who have persevered in their academics, demonstrated a servant's spirit, served the Lord in his/her church, local community, and school (CIAS) throughout the four years of high school.

Academic Excellence Award

This award/certificate/trophy is awarded to seniors who have achieved the highest level of discipline, academic accomplishment, and model behavior of all our Campus School students throughout the four years of high school.

Christian Character Award

This award/certificate/trophy is awarded to seniors who have worked diligently on his/her academics, shown a faithful spirit in acquiring knowledge, overcome adversity, modeled a Christ-like character, and ministered the love of Jesus to his/her fellow students.

Salutatorian

The Salutatorian is chosen based upon the following criteria:

1. Earned second-highest unweighted GPA of the graduating senior class
2. Stayed on the Summa or Magna Cum Laude Honor Roll throughout high school
3. Taken rigorous and challenging academic courses with assessments
4. Taken dual enrollment courses at a local college or university*
5. Taken at least one ACT and/or SAT and/or made the second-highest score
6. Completed a minimum of 100 hours of Volunteer Community Service
7. Maintained excellent citizenship throughout high school
8. Willing to give a speech presentation during the spring graduation ceremony
9. Plans to attend a college or university following high school*

Valedictorian

The Valedictorian is chosen based upon the following criteria:

1. Earned highest unweighted GPA of the graduating senior class
2. Stayed on the Summa or Magna Cum Laude Honor Roll throughout high school
3. Taken rigorous and challenging academic courses with assessments
4. Taken dual enrollment courses at a local college or university*
5. Taken at least one ACT and/or SAT and/or made the highest score
6. Completed a minimum of 100 hours of Volunteer Community Service
7. Maintained excellent citizenship throughout high school
8. Willing to prepare and give a speech during the spring graduation ceremony
9. Plans to attend a college or university following high school*

Disclaimers:

*Optional, as applicable as a whole to each graduating class' achievements and accomplishments

All final decisions about awards, honors status, Sal, & Val are the responsibility of the CIAS Principal and Administrative Staff.

All waivers for various requirements are approved as needed and by the prerogative of the CIAS Principal and Administrative Staff.

GRADE RECORDS & REPORT CARDS

GRADE REPORTS

CIAS Campus School teachers are responsible to administer and proctor quizzes, exams, Checkups, Self Tests, and tests to all full-time CIAS Campus School students. Umbrella School and Hybrid students may or may not complete their assessments at the Campus School, depending on what their parents have requested. CIAS teachers keep attendance records on all days that a student is scheduled to attend the CIAS Campus School. Parents are responsible to keep records and submit reports of all other school work completed, as well as Attendance records for homeschool days if applicable. The CIAS Data Clerk or office staff send out email reminders each quarter. Computerized report cards are sent out after the end of each 9-week quarter after reports are turned in or are recorded. If you need a report card or transcript for a specific purpose, please request it from the school office two weeks in advance. There is a \$5 fee for transcripts.

QUARTERLY ELECTIVE RECORDS

Parents are responsible for recording and reporting hours spent in Performing Fine Arts (PFA), Physical Fitness (PE), Work Experience/On-the-Job-Training (OJT) and Community Service activities completed outside of the CIAS Campus School program. It should all be recorded on CIAS report forms and turned in every quarter, once every 9 weeks, twice a semester, and 4-5 times a year.

SEMESTER ELECTIVE REPORTS

Semester Reports with instructor evaluations for Music, Art, Drama, and Physical Education should be turned in once a semester. You must have your instructor/teacher/coach complete and sign the form. This covers a wide variety of activities such as private music lessons, drama, theater, band, fine arts classes, taekwondo, BBJ, karate, organized team sports, Movement Academy, and any other PE classes.

GENERAL POLICIES

FILE FORMS POLICY

Please turn in all the required registration, enrollment, permission, and medical forms that we need for your child's Cumulative File within **2 weeks of enrollment**. The deadline is the week of Labor Day in September. If you are contacted by the CIAS office staff and notified to submit forms, please do so immediately. You can find all of these PDF forms online: <http://tboomerj7.wixsite.com/christianinstitute/reproducible-forms>

BREAKFAST POLICY

CIAS does not provide breakfast for students. Please send your child to school with a full tummy. There have been many scientific studies completed to prove that the human brain needs glucose and carbohydrates in order to function properly, and in the case of your child, study and learn. Please provide them with healthy breakfasts, such as Cheerios, milk and fruit, before sending them to school.

SNACK & LUNCH POLICY

Students enjoy a 30-minute lunchtime in a staggered class schedule each day. Classroom teachers are responsible for the supervision and safety of their students during lunchtime. CIAS does not provide lunch for students. Students should/must provide their own lunch foods, drinks, and snacks. Students are allowed to purchase snacks and drinks from the Vending Machine during limited periods of time during the school day. Most classrooms contain refrigerators for cold storage as needed, as well as microwaves to heat food and coffee pots. A toaster, stove/oven, and large fridge/freezer are located in the school's kitchen and may be made available for use with adult supervision *if the Middle School Classroom is not in class/session*.

Appropriate **SNACK FOODS** for elementary school grades (K-5) include, but are not limited to, Yogurt, Applesauce, Cheese, Lunchables, Lunch meats, Snack crackers, Fruit bars, Granola bars, fruit, etc.

Appropriate **LUNCH FOODS** for all students include, but are not limited to, left-over meals, frozen meals, Ramen noodles, soups, pizza, pizza pockets, yogurt, fresh vegetables, and fruit. Drinks can include Electrolyte drinks, water, sugar-free drinks, etc.

PHYSICAL FITNESS

CIAS implemented an organized PE program, in addition to recess and free play, in the 2021-22 school year, four days a week (Mon-Thurs) under the direction of homeroom teachers and a PE coach and assistants. Students are also encouraged to get exercise during their free play time before and after school hours (prior to 8:45 AM and after 3:00 PM). Many students enjoy shooting hoops or walking the track, while others swing on the swings or hammocks, enjoy the fresh air, or sit outside on the patio or in the picnic table areas to socialize.

TECHNOLOGY & CELL PHONE USE POLICY

Cell phone use can become a distraction or a hindrance to learning. We want to encourage students to concentrate on schoolwork during school hours, as well as interact and socialize with classmates appropriately during the lunch hour, and not stay preoccupied with texting and social media on their technology devices. Disciplinary measures will apply to technology use offenses, and parents/guardians will be notified.

ELEMENTARY SCHOOL:

Elementary school students should not have cell phones at school. Parents, please help us monitor this!

MIDDLE SCHOOL & HIGH SCHOOL:

Middle and high school students are allowed to have their cell phones with them, but are to place them into the classroom's wall pocket charts provided for such a purpose or to keep them hidden/packed away in backpacks. High school students should use Bluetooth earbuds if they want to listen to music via their cell phones. If having a cell phone becomes a behavior issue (distraction, hindrance, backtalk, disobedience, etc.), it will be put confiscated and placed in a lock-box until the end of the school day.

Therefore, CIAS reserves the right to confiscate any cell phones and/or technology devices that may be deemed distracting to a student's school day or academic progress. In the case of an emergency, all parents have the cell phone number(s) of their children's teacher(s) as well as the office phone in case contact needs to be made.

*Parents, it is inappropriate to text your high school students upsetting or triggering texts during school hours. You are not here at school to deal with the fallout of such action, and the CIAS teachers take the brunt of their reaction to such actions. High school students should only receive texts and/or phone calls from parents and/or family members if there is an emergency (i.e. "blood and guts," accidents, etc.), since mid-school day texts cause unnecessary anxiety and distraction for students. **If there is an emergency and you need to contact your child quickly, please text or call THEIR TEACHER and/or the SCHOOL OFFICE for immediate contact.***

Middle and High School Students will be asked to sign a "Cell Phone Use Contract" before they will be allowed to use their cell phones at school.

2022-23 CELL PHONE POLICIES

1. Cell phones may be used for personal use on school grounds only before school, during lunch, and after school or at designated times given by your teacher.
2. Cell phone use is prohibited in restrooms.
3. During the instructional day, cell phones must remain in the teacher-designated area and on silent mode unless listening to music. Only wireless earphones allowed-no wired headphones.
4. No cell phone use during any test.
5. If students need to place an emergency phone call or speak with a parent during the day, they should request to go to the main office to use the office phone. Urgency of the emergency is determined by the teacher.
6. Students may be subject to disciplinary action if their use of their cell phone disrupts the school's educational environment. Examples of this include, but are not limited to: cheating, bullying, harassment, unlawful recording or photographing, and violating other school rules outlined in the campus handbook.
7. The school and its staff are not responsible for any damage to or theft of a student's cell phone. Students must properly secure and take care of their own phones.
8. Students and their parents must read the cell phone policy and return a signed copy to the office at the beginning of the school year. Signing the policy acknowledges adherence to the rules set forth. Students will not be permitted to have their phones at school until the signed policy is returned.
9. If students violate the school's cell phone policy, the following may occur:
 - a. First offense: The student's cell phone will be confiscated by a staff member and placed in a lock-box until the end of the school day. Before being allowed to pick up their phone at the end of the day, students must discuss and review the cell phone policy with a staff member.
 - b. Second offense: The student's cell phone will be confiscated by a staff member and placed in a lock-box until the end of the school day. The student's parents will be contacted and informed of the refusal to follow the school's cell phone policy. Students may pick up their phones at the end of the school day.
 - c. Third offense: The student's cell phone will be confiscated by a staff member and placed in a lock-box until the end of the school day. The student's parents will be contacted and informed of the refusal to follow the school's cell phone policy. The student will be prohibited from bringing their cell phone back on school grounds for 2 weeks.

**The administration reserves the right to adjust these consequences on a case-by-case basis if needed. For example, oppositional defiance with a teacher or administrator, extreme behaviors that break the rules or engaging in bullying or harassment of other students may result in suspension.

PARENT TEACHER CONFERENCE POLICY

The teachers and tutors make efforts to inform parents of their child's academic progress and/or difficulties via Lesson Plan Book messages, phone calls, e-mails, etc. If at any time the administration deems it necessary to arrange a Parent/Teacher Conference during the school year, we ask that at least one parent/guardian be in attendance. If at any time during the school year, a parent/guardian would like to meet with us for a review meeting, please arrange an appointment.

LOST AND FOUND POLICY

Lost and found items left at the CIAS Campus School are generally collected for a short time. If it is an item of value, it will be placed in the school office. Students who have lost an item should check with their teacher(s) to see if their possessions have been found and stored in a safe place. It is suggested that schoolbooks, coats, clothing, lunch boxes, and other items are labeled in the event that they are lost.

Students should also "police" their schoolbooks and school supplies, to make sure that no one else takes them home accidentally. Plastic bowls and lunch containers left at CIAS will be discarded regularly. Items not picked up in a reasonable amount of time will be thrown away or donated to a charitable organization. CIAS is not responsible for any items lost or stolen.

SAFETY & SECURITY POLICIES & PROCEDURES

ACTIVITY PERMISSION SLIP POLICY

Every student must have a current school year Permission Slip on file before they will be allowed to participate in any CIAS activities, parties, or field trips.

Names of people who are allowed to pick up or drive your student must be listed on the appropriate form which should be signed and submitted to the school office. We will ask to check Driver's Licenses against the names recorded on this Permission Slip and ask all non-family members to sign students out in the office. Anyone who comes to pick up a CIAS student whose name is not on the permission slip will not be allowed to do so.

CAMPUS SCHOOL SAFETY POLICY

For safety purposes, students should not leave the schoolhouse facility or property without getting permission from a teacher. This includes going outside to do schoolwork or study in the outside patios and study areas set up for such purposes.

Students are banned from climbing the school yard trees. Older students are not to swing or play on the younger students' playground equipment. Students are not to destroy the garden boxes or plants therein. The classes of grade-grouped students (EEL, UEL, MS, & HS) can access the outdoors during appropriate assigned times for lunch break, recess, free-play, and Physical education, and before/after school, according to the establish schedule.

All visitors are required to sign in to the school office, providing photo ID. Students may not invite unauthorized outsiders and strangers to the school campus or inside the school at any time for any reason. If a suspicious driver pulls into the school's parking area, students should immediately be ushered/moved into the school building for safety purposes.

CIAS staff and teachers have access to 5 panic button devices as part of our safety alarm services. These panic alarms immediately alert local law enforcement to come to the school facility. We will also call law enforcement.

FIRE SAFETY POLICY

The CIAS schoolhouse has a commercial fire alarm system, as well as fire extinguishers installed in main rooms. In compliance with fire code safety, fire drills are run at monthly intervals throughout the entire building and other facilities utilized by the school. Fire Evacuation Route notices are posted by the doors in all enclosed rooms in the CIAS schoolhouse. In case of emergency, students are instructed in evacuation routes.

CONTAGIOUS ILLNESS AND RELATED CONDITIONS

Students and staff members should not come to school until released by a doctor/physician if they are dealing with any condition or illness that might have the potential to be communicated to others. When a teacher becomes aware of any student's potentially contagious illness or condition, that teacher is responsible for informing office staff of the concern. The office staff will then email parents in the affected classroom(s) to notify them of the possibility of exposure and recommend that they take necessary preventive precautions (Email Subject: "Notice of Health Issue: X"). Next the teacher team will inform parents in the GroupMe app classroom groups to read their email notice. Note: In compliance with legislation, care must be taken to ensure the privacy of any student and family.

Fever

Students or staff with a fever may not come to school. If a fever is identified at school, as determined by the school office, they will be sent home to prevent contagion. They may not return until they are fever-free for 24 hours.

Sore Throat/Coughing/Sneezing

Students who actively exhibit symptoms that enhance contagion, such as a sore throat, coughing, or active sneezing not explained by an allergy history, should not return to school until the possibility of contagion has passed or they are released by a physician and get a medical release form/doctor's note to turn in to the school office.

Head Lice

Students or staff with head lice or nits are not allowed to return to school until they are lice- and nit-free. Teachers can send work home for a student to complete or may, if possible, log in remotely, to prevent falling behind. If schoolwork is completed, the student will be counted as present; otherwise, only the first day of absence due to head lice or nits will be excused. Additional days of absence due to head lice or nits without completion of schoolwork that was sent home will be unexcused absences.

Ringworm

Ringworm is a highly contagious common skin infection, presenting as an itchy, red circular rash. Students with Ringworm symptoms may not return to school until after treatment has begun. They need to see a doctor/physician for Ringworm treatment and get a medical release form/doctor's note to turn in to the school office. Ringworm that has been appropriately treated for at least 48 hours is considered to be not contagious. They may return to school after starting treatment (over 48 hours) but must avoid any activities that involve skin-to-skin contact (during PE, playtime, recess, etc.).

Impetigo

Impetigo is a highly contagious bacterial (strep & staph) infection of the skin, presenting as red, itchy sores with yellow scabs. Students with Impetigo sores may not return to school until 48 hours after oral/topical treatment has begun. They need to see a doctor/physician and get a medical release form/doctor's note to turn in to the school office. Most students with Impetigo are no longer contagious after 48 hours of treatment, or once the sores have dried/healed. They may return to school after 48 hours, but should avoid any activities that involve skin-to-skin contact (during PE, playtime, recess, etc.).

Hand, Foot, & Mouth Disease/Chicken Pox/Measles/Mumps

Students with a rash that has not been identified and deemed not contagious, or with other potentially contagious infections, such as but not limited to Hand, Foot, and Mouth Disease, Measles, Mumps, or Chicken Pox, may not come to school until they are checked and released by a physician, as evidenced by a medical release form/doctor's note to turn in to the school office.

ESSENTIAL OIL USE AT CIAS

The CIAS staff and administration utilizes plant-based essential oils by diffusing, aromatherapy, and direct application. We use essential oil products from Young Living and DoTerra. Thieves oil blend and a citrus oil blend are diffused in all classrooms daily as a rule. Essential oils can be used to relieve the following ailments and support optimal function for our teachers, staff, and students: attention issues, hyperactivity, grounding, headaches, anxiety, stress, breathing issues,

digestion issues, period pain, etc. Students are welcome to use any of the essential oils that we keep in storage containers in the school classrooms, kitchen, office, etc. Some of our all-natural cleaning products are Thieves or OnGuard products.

FIRST AID & MEDICINE ADMINISTRATION POLICY

Several CIAS staff members are certified in First Aid, CPR, and AED operation. CIAS keeps a current First Aid kit on the premises for the administration of minimal First Aid in case of minor emergencies.

A Medication Consent Form must be on file for each CIAS Campus School student. It is CIAS policy not to dispense medications (prescribed or over-the-counter) to students while they are on campus at CIAS; however, medications may be given in school if failure to take the medication would jeopardize the student's health or prevent a child from attending school.

If a student requires a non-prescription analgesic or allergy relief medicine routinely, the medicine may be administered by trained office staff if it is provided in the original container and the parent provides both written permission and written frequency and dosage information. If a student is taking doctor-prescribed medications or treatments, such as but not limited to insulin or Glucagon, chronic headache relief, cramping/period relief, EpiPen, or ADD/ADHD medications, a doctor's authorization note with complete dosage and full administration instructions, as well as the parent's release form, must be on file and the medication administration must be logged on the appropriate Medicine Dispensation Record form. The medication will be kept in a locked cabinet. Any unclear and/or undocumented medicine needs must be referred to the parents immediately.

MEDICAL EMERGENCY POLICY

An Emergency Information and Medical Release form must be on file for each CIAS Campus School student. In the event of illness or a medical emergency, CIAS staff or faculty will make every effort to contact the parent(s) of that student. In the event that a parent cannot be reached, permission is granted for CIAS staff or faculty to make decisions to contact Emergency Medical Services (EMS).

WEAPON & INCENDIARY DEVICE POLICY

All weapons, or instruments that can be used as a weapon, and incendiary (fire-making) devices are banned from the CIAS campus School and from any school events, activities, and/or field trips. This includes, but is not limited to the following:

- knives of any kind
- blades (switchblade, etc.)
- slingshots
- guns
- matches
- lighters (cigarette, etc.)

All such contraband brought onto the school campus or to an event/activity/field trip will be confiscated by CIAS administration and will not be returned to students.

DROP OFF & PICK-UP POLICIES & PROCEDURES

Drop-off Time:

All students should be dropped off at school by 8:45 AM so that they can settle in to their classroom and socialize with friends. All students will be sent in their classrooms by 8:45 AM, and the school day starts promptly at 9 AM. Each classroom has a set daily schedule, so early morning routines are observed in each classroom Mon-Fri. Chapel Devotion is held outside on the basketball court on every good-weather Tuesday from 9-9:30 AM.

For increased safety and security purposes, most/all outside classroom doors will be locked at 9:15 AM. If students arrive after this time, they will knock on their classroom's outside door for admittance.

Pick-Up Time:

No unauthorized people are allowed to pick CIAS students up from school for any reason. Parents/guardians must come in to the school office to update their child's Permission Slip to add drivers to their list. *Texting a student's teacher does not constitute official permission for an unauthorized driver to pick-up a student from school.*

Recognized/Regular Pick-Up Drivers:

Most regular pick-up drivers will be recognized by supervising school staff.

Unrecognized/Irregular Pick-Up Drivers:

An unrecognized or irregular pick-up driver will be asked to stay in their vehicle and/or park and give their name and the same(s) of the students that they are picking up to the CIAS staff (supervising student pick-up), who will then communicate with the office staff to confirm the name of the drivers being listed on/not on the student's Permission Slip.

If the office staff confirms that the unrecognized pick-up driver's name is on the Permission Slip, they will then be asked to enter the school office and provide proof of identity in the form of a photo ID, which the office staff will check against the list of approved pick-up people from the Permission Slip list on file for that student.

If the pick-up driver's name is not on the Permission Slip list, they will not be allowed to pick up the student or remove them from the school campus, no exceptions.

Official student pick-up is between 3:00-3:30 PM. To orchestrate student pick-up efficiently and effectively, a CIAS staff member with a walkie-talkie will serve as front gate monitor during the student pick-up time period and will notify the rest of the teaching staff on duty (all of which have walkie-talkies during the period of Student Pick-up) of a student's approved ride arrival. Drivers should follow the traffic signs and flow of cars/vehicles in the driveway and parking areas to keep traffic moving smoothly.

Early Elementary & Upper Elementary Student Pick-up:

For further security for our younger students, our Early Elementary and Upper Elementary classes in Grades K-5 will need a parent/guardian to make contact with their child's teacher by text to inform them that they have arrived for pickup and come to one of the 2 single gates to pick their child(ren) up. Students are no longer allowed to go outside the fence gates and into the parking lot without a parent/guardian escort. Older sibling escorts are not permissible any longer.

Middle & High School Students Pick-up:

For further security for our older students during school hours, no CIAS students in Grades 6-12 are allowed outside the fenced area of the school yard, in parking areas, or crossing the street without a staff or parent/guardian escort, except for the following:

- Students walking in a group to/from classes/classrooms,
- Students going to/from Barton tutoring,
- Students using the restroom, or
- Students going to/from their car into their classrooms.

Students should not leave the school building to go outside to a car/vehicle before letting a teacher or staff member know that their ride has arrived to pick them up. Students may not leave the school premises without pre-arranged permission. Students may not walk in the neighborhood without being accompanied by a CIAS staff member. If a parent or other

designated driver arrives to pick up a CIAS student early, your child's teacher should be notified by text prior to pick-up. Car-pooling by adult drivers (teachers/parents/guardians) is often necessary for school field trips, activities, etc.

EXTENDED CARE

Drop off may start as early as 7:00 AM; if a parent needs to drop off their child off at CIAS prior to 8:00 AM, they must make special arrangements with CIAS Vice-Principal to do so, so that building alarms can be shut off prior to entry.

If a child needs to be at CIAS after 3:30 PM, you must make arrangements with your child's teacher or the VP to make sure that they are placed in Extended Care to be supervised. The Extended Care supervising staff will keep records of students who are left at school after 3:30 PM.

Extended Care charges begin at 3:35 PM (see Fee Schedule). No CIAS students should be left at the school past 3:45 PM, unless their parents have made direct contact with the CIAS Vice-Principal or their child's teacher to make arrangements for this; this information should be shared in the staff text group. After 4:00 PM, there are no teachers available to supervise students outside, since this is their daily prep time, so students should be picked up by then. There are no staff members typically at school after 5:00 PM, so no student should be left after then, unless special arrangements have been made with and permission has been granted by the CIAS Vice-Principal.

Extended Care charges are as follows: \$5 per hour for a max of \$150 per month; see the Fee Schedule published on the CIAS website here: <https://tboomerj7.wixsite.com/christianinstitute/tuition>

ATTENDANCE & PROMOTION POLICIES & PROCEDURES

INSTRUCTIONAL HOURS

CIAS School Attendance Policy Indicating Net Instructional Hours

CIAS operates for 180 teaching days per school year. "Attendance at a private school satisfies the compulsory school attendance law if the child maintains regular attendance during the school term of either 180 actual school days or a minimum of 170 actual school days and the hourly equivalent of 180 actual school days." A school day, as per 1011.60(2) Florida Statutes, is defined as the following:

Grade K:

9 AM-1 PM (3 net instructional hours/attendance documented per day, 15 hours per week, 540 hours per school year).

Rule 6A-1.09512, Florida Administrative Code (F.A.C.)

School day to include lunch, recess/free play, PE, art, music, etc.

Grades 1-3:

9 AM-3 PM (4 net instructional hours/attendance documented per day, 20 hours per week, 720 hours per school year).

Rule 6A-1.09512, Florida Administrative Code (F.A.C.).

School day to include lunch, recess/free play, PE, art, music, etc.

Grades 4-12:

9 AM-3 PM (5 net instructional hours/attendance documented per day, 25 hours per week, 900 hours per school year. Rule

6A-1.09512, Florida Administrative Code (F.A.C.)

School day to include all academic & fine arts classes, PE, art, music, etc.

Special Education & Exceptional Student Education (SPED/ESE):

The length and content of school days should be adjusted as needed or required for Exceptional Education (EE) students, according to accommodations and modifications to school program as recorded in their ESE paperwork (including, but not limited to, their IEP, 504, Curriculum List, enrollment paperwork, diagnosis documentation, doctor or psychologist evaluations, etc.).

ATTENDANCE FOR SCHOLARSHIP STUDENTS AT THE CAMPUS SCHOOL

Private schools that accept public scholarship students are required to satisfy the requirements for each student to maintain direct student contact with teachers under section 1002.421, Florida Statutes, as well as satisfying the daily and instructional hours set forth in Rule 6a-1.09512, Florida Administrative Code.

Absences Add Up!

If a student misses just 2 days a month, they will miss 10% of the school year. Over the course of the thirteen years of school in grades K 5-12, that student will miss 234 days of school, which is equal to 1 1/3 years of school by the time he/she graduates from high school! Please help us to help your student be successful in school by attending school regularly, being on time, and limiting early pick-ups.

COMPULSORY SCHOOL ATTENDANCE POLICY

Florida Law (Section 1003.21, Florida Statutes) states that all children who are either six years of age, who will be six years old by February 1 of any school year, or who are older than six years of age but who have not attained the age of 16 years, must attend school regularly during the entire school term. A student who attains the age of 16 years during the school year is not subject to compulsory attendance beyond the date of which the student attains that age if he/she files a formal declaration of intent to terminate school enrollment with the school district.

TRUANCY POLICY

Florida law defines "habitual truant" as a student who has 15 or more unexcused absences within 90 calendar days with or without the knowledge or consent of the student's parent or guardian, and who is subject to compulsory school attendance. Only five absent attendance days in a row are allowed during a semester, except under special circumstances (i.e. prolonged illness, surgery, etc.). Doctor's notes or receipts are required for all special circumstance medical absences.

Florida law (Section 1003.26, Florida Statutes) specifies steps for enforcement of regular school attendance. It is the responsibility of each school to enforce school attendance of all enrolled children who are subject to compulsory school age requirements. The responsibility includes:

- Develop policies and procedures to ensure that schools respond in a timely manner to each unexcused absence, or absence for which the reason is unknown.
- Contact the home for every unexcused absence or absence for which the reason is unknown, to obtain parent justification for the absence.
- Evaluate each justification and, based on district policy, determine whether the absence is excused or unexcused; if excused, allow the student to make up assigned work without academic penalty.
- Track excused and unexcused absences.
- Schedule a meeting with certain identified parents to discuss their child's attendance.
- Implement prevention and intervention strategies to address truancy and attendance issues as required for drivers' licenses and related requirements for habitual truants.

ABSENCE POLICY: EXCUSED & UNEXCUSED

CIAS attendance policy requires that students have LESS THAN 15 excused/unexcused combined absences within a 90-day semester. Please notify the school as far as you can in advance (on the previous day) if your child is going to be absent from school; the best way is to contact your child's teacher by text.

Excused Absences include, but are not limited to the following:

- Personal or family sickness such as colds, flu, COVID, chicken pox, acute bronchitis, pneumonia, etc. (involving contagion, fever, vomiting, etc.)
- Active case of impetigo, foot and mouth disease, ring worm, or head lice (during contagious stage/treatment)
- Doctor or eye appointment (bring a doctor's note/slip to document)
- Dentist or orthodontist appointments (bring a doctor's note/slip to document)
- Therapy/counselor appointments (inform your child's teacher ahead of time of your regular appointment schedule)
- Family emergencies (death in the family, etc.)
- Planned family vacations (let your child's teacher know ahead of time for lesson-planning purposes)
- Acts of God
- Natural disasters or inclement weather (hurricanes/tropical storms, tornadoes, flash floods, snow/ice/hail, unsafe driving conditions, etc.)
- Student's birthday if it falls on a M-F

Unexcused Absences include, but are not limited to the following:

- Slept in late
- Moody and/or hormonal behavior
- Being in a period (special circumstances may apply)
- Staying home because of allergies
- Sickness that is not contagious such as chronic bronchitis, (no fever, no vomiting)
- No ride to school/no plans made to arrange a ride
- Morning "hangover" from staying up too late, insomnia, gaming all night, etc.
- Family fun events

1. If a student has a doctor or therapy appointment and arrives at school late, he/she will be recorded as tardy.
2. If a student does schoolwork on a weekend day (Saturday/Sunday) for any reason, then he/she can be recorded as attending school on that day by their homeroom teacher on the next week's Attendance Chart.

3. Even if you let your child's homeroom teacher know that they will be tardy or absent from school ahead of time, they may not be excused from attendance. All excused attendance criteria must be met, according to the bulleted list above.
4. Regardless of excused absences, all normal tuition fees are still due. The only school days exempt from tuition fees during the two-semester school year are established federal/school holidays (listed in this Handbook and on the CIAS website), Fall Break (Mid-October), Thanksgiving break (one week), Christmas break (two weeks) and Spring Break (in March). All other absences will be considered unexcused.

TARDY POLICY

Tardy attendance includes, but is not limited to the following: Arriving at school/in the classroom after 9:10 AM

1. A plausible explanation must be texted by parent/guardian to each child's homeroom teacher every day that they arrive tardy. Provide a doctor's note, if applicable.
2. Exceptions to this policy are only permitted/allowed by the CIAS Principal.

PROMOTION CRITERIA POLICIES

If a CIAS student has completed the number of school days required, they typically should have completed, or almost completed, their curriculum for the school year.

HONORS STUDENTS

100% CURRICULUM COMPLETION POLICY

CIAS holds to a 100% completion policy for enrolled students who are honors students, or for GENED or SPED/ESE students who want honors credit for a course; 100% of a curriculum must be completed by a student, earning a passing grade, in order for him/her to be promoted to the next grade level in that subject or to receive full credit (high school). Once satisfactory progress is proven by production of formative and/or summative assessment grades, promotion may occur from one grade level to the next. This typically happens towards the end of the school year or summer, but may occur earlier in the school year if a student is motivated, working at an accelerated pace, or is compacting high school into less than four years. See "HONORS CREDIT & STATUS POLICIES" for more information.

GENED STUDENTS:

80% CURRICULUM COMPLETION POLICY

CIAS holds to an 80% completion policy for enrolled students who are general education (GENED) students; 80% of a curriculum must be completed by a student, earning a passing grade, in order for him/her to be promoted to the next grade level in that subject or to receive full credit (high school). Once satisfactory progress is proven by production of formative and/or summative assessment grades, promotion may occur from one grade level to the next. This typically happens towards the end of the school year or summer, but may occur earlier in the school year if a student is motivated, working at an accelerated pace, or is compacting high school into less than four years.

SPED/ESE STUDENTS:

75% CURRICULUM COMPLETION POLICY

CIAS holds to a 75% completion minimum policy for students who are Special Education/Exceptional Student Education (SPED/ESE) students; 75% of a curriculum must be completed by a student, earning a passing grade, in order for him/her to be promoted to the next grade level in that subject or to receive full credit (high school). Once satisfactory progress is proven by production of formative and/or summative assessment grades, promotion may occur from one grade level to the next. This typically happens towards the end of the school year or summer.

ACHIEVEMENT TESTING POLICIES

CIAS requires the annual administration of nationally-normed achievement assessments for all students in grades 3-10, and End-of-the-School-Year Evaluations grades K5-2. Before they graduate with a high school diploma from CIAS, students must typically pass the Level 16/Grade 10 Iowa Assessments, or an equivalent testing measurement, within the 4-5th National Stanine/45-55th National Percentile. This requirement is subject to enforcement or leniency by CIAS administration due to a variety of factors, including but not limited to, the presence of developmental delays, specific learning disabilities, or others contributing or hindering factors.

Any students who do not make appropriate progress in a two-year period may or may not be promoted to the next grade, upon school administration discretion.

ALL graduating seniors completing an Academic or College Preparatory Diploma program must score into the fiftieth percentile on the 10th grade achievement test (Level 16) in order to graduate and receive their diploma, upon school administration discretion.

All promotion policies are subject to change, as per the discernment and direction of the CIAS Principal as final decision-maker.

STUDENT ETIQUETTE CODES

CAMPUS STUDENT CONDUCT CODE

Enrollment in the CIAS campus school is probationary and dependent upon whether students fit into the learning environment smoothly. The behavior code for all CIAS campus students is to exemplify the nature of Jesus Christ in all they say and do. See I Corinthians 8-10, Romans 14, and Leviticus 19:28. *Students must read and sign at least one (1) Student Conduct Code Form (4 Appendices of this Handbook), and it must be in their Cumulative File within 5 days of their enrollment in CIAS.*

GROOMING CODE

The CIAS Board votes on these items and makes the decisions about the CIAS Grooming Code. This code centers around your (our students') need to be undistracted by what you wear, how you accessorize, etc., when you come to school. The main points of being here at CIAS is to get the best education that you can get in the least restrictive environment academically, to feel loved by the school staff and by Jesus, and to be comfortable in our safe environment, free of distractions and drama as much as possible. There are some items mentioned in this code that have never been allowed at CIAS, while other items have been changed/revoked over the years (i.e. girls being required to wear skirts was revoked prior to 2014-15, no unnatural coloring of hair prior was revoked prior to 2021-22, etc.).

Please be respectful of the Grooming Code. The school staff and administration does not need to waste time repetitively correcting you for infractions in this area. It is a waste of both our and your time, so do not try to negotiate changes.

Hair Policy:

Boys/Males: All haircuts to be out of boys' faces; this means that hair should not hang into or cover the eyes & ears, nor should it touch the shirt collar. No man buns or hair spouts/pony tails. Colored hair is permitted. No shaved heads unless medically necessary.

Girls/Females: Colored hair is permitted. No shaved heads unless medically necessary.

Makeup Policy:

Boys/Males: No makeup, nail paint/polish

Girls/Females: May wear makeup and nail polish

Tattoo Policy:

Tattoos are permitted; however, CIAS students should not get new/fresh tattoos during the Aug-May school year.

Piercing Policy:

Boys/Males: No earrings or ear jewelry, clip-ons, nose rings, visible body piercings, etc.

Girls/Females: May wear 1 nose/ facial piercing and up to 3 pairs of earrings.

Prohibited/Banned Grooming Styles/Effects:

Satanic, Wiccan, punk, Gothic

DRESS CODE

BOYS/MALES

Wear modest clothing covering main/private parts of the body. You may wear t-shirts, sportswear, and hoodies with appropriate images and writing.

1. No all-white wife-beater-style tanks
2. No low-rider pants
3. No pants/shorts that are tight in the crotch or “leave nothing to the imagination”
4. No short-shorts, athletic or otherwise
5. No underwear showing

GIRLS/FEMALES

Wear modest clothing covering main/private parts of the body. You may wear t-shirts, athleisure wear, sportswear, and hoodies with appropriate images and writing.

1. No see-through clothing
2. No cut off shirts, showing midriff or underwear top
3. No short shorts or mini-skirts; shorts should be finger-tip length and cover past the bottom area.
4. No underwear showing
5. Leggings/jeggings/skinny jeans can be layered clothing under dresses, skirts, or shorts
6. Dresses and skirts should be mid-thigh in length (no shorter) and can be worn over leggings/skinny jeans or shorts
7. Dresses and skirts that are knee length or longer when standing may be worn without leggings/skinny jeans

Prohibited/Banned Clothing Items:

Clothing with depictions of violence/guns, smoking/vaping, drug-related items, offensive images, culturally/politically inappropriate images, misogynistic/sexist images, and/or unclothed/naked//pornographic images are not permitted. This includes, but is not limited to the following icons and style brands:

Playboy

I Love Hot Moms

Selena (chest-revealing images)

Che Guevara

Bob Marley

Marylyn Monroe

Betty Boop

Family Guy

Kappa

DISCIPLINARY POLICY

Level 1: REDIRECTION/WARNING BY A TEACHER OR ADMIN

As soon as an infraction occurs, students will be verbally corrected and/or redirected toward making better behavior choices by their classroom teacher(s).

Level 2: HOMEWORK/COPYING APPLICABLE SCRIPTURES/TIME OUT/PARENT NOTIFIED

If a student is behind in their schoolwork, they may be assigned weekend homework to complete. Time out consists of 1 minute for each year of life (11-year old = 11 minutes), during which time the student must calm/quiet themselves down. Student will copy Scriptures verses that apply to their particular situation or infraction, etc. Parent is notified of the behavior/infraction.

Level 3: SENT TO PRINCIPAL'S OFFICE FOR A "COME TO JESUS MEETING"/PARENT NOTIFIED/ISS OR OSS

Being sent to the Principal's office is often referred to at CIAS as a "Come to Jesus Meeting." Students may have to sit and wait until the Principal or Vice-Principal is available, however long that may be. Once a student reaches this step, parents will be texted or called and informed of the behavior issue as soon as possible. They may be asked to speak with their child or to come and pick them up to remove them from the Campus School for the rest of the day. Some Level 3 offences incur ISS or OSS.

Level 4: IN-SCHOOL SUSPENSION (ISS)

In-school suspension (ISS) is the next step of disciplinary action. Parents will be notified of the behavior/infraction. While a student is put on ISS, he/she must shadow school staff members or teachers for an agreed upon length of time. This means that they are to always be in a room or outside area where a teacher or supervising personnel is present. CIAS staff is to be aware of their whereabouts at all times. After the given time is completed (from 1-30 days), as the CIAS administration deems advisable, they can be trusted to re-enter general student population unsupervised.

Level 5: INTERVENTION & OUT-OF-SCHOOL SUSPENSION (OSS) & INTERVENTION

An Intervention meeting will be called for; parents/guardians are requested to attend, as well as all involved CIAS staff and/or admin. As a result of the Intervention meeting, a Behavior Modification Plan will be created, established, and signed, and the student must agree to follow it. Out-of-school suspension (OSS) is defined as temporary termination of attendance at the CIAS Campus School for offenses listed on the behavior/incident chart. OSS will include a set time, agreed upon by both CIAS Administration and the student's parents, wherein said student performs a disciplinary exercise, copies applicable Scripture verses, completes a set amount of schoolwork, performs mandatory community service, writes an essay or letter of apology, or exhibits appropriate improved behavior as delineated in the joint meeting of administration, parents, and student(s).

Level 6: "3 STRIKES, YOU'RE OUT" EXPULSION POLICY

If a student received 3 behavior strikes for Level 5-6 misbehaviors, he/she may/will be expelled from the CIAS Campus School. This includes three Strikes within one school year, or three "Un-erasable Strikes" over the course of a student's enrollment in CIAS.

In some instances or circumstances, the student may be allowed to remain enrolled in the CIAS Umbrella School in a supervised homeschool program, but they will remain under permanent Out-of-School Suspension (OSS) for the remainder of the school year or their time of enrollment in CIAS.

Expelling a student is a serious matter and is done with prayerful consideration. CIAS, as a private institution, reserves the privilege of setting and maintaining standards for conduct, dress, and enrollment. CIAS maintains the right to refuse to enroll or the right to expel any student who violates the standards set down in the handbook and Student Conduct Code, as defined by the school administration in this Manual.

Please be advised that continued engagement in these activities will lead to termination of a student's enrollment at CIAS, and the school may dismiss any student at any time. The administrators of CIAS have a heartfelt concern, commitment, and love for the students and families that we serve, and we present this guideline in the spirit of love. However, there is

an additional commitment to the body of Christ and ultimately to the Lord Jesus Christ to be considered. CIAS has as its foundation the goals of presenting a Christ-like model to the community. In the light of these goals, a student's lifestyle is an important consideration.

DISCIPLINARY TERMS & DEFINITIONS

STRIKE MISBEHAVIORS

Strike misbehaviors are behaviors that are Level 5-6 misbehaviors, earning a student suspension of either kind (ISS or OSS) and leading towards expulsion from CIAS. These can be chronic misbehaviors or behaviors that are categorized as unacceptable and prohibited.

Most Strike misbehaviors do not follow students from school year to school year for the duration of their enrollment in CIAS and are “erased” or expunged at the end of each school year.

UNERASABLE STRIKES

There are seven "Unerasable Strike Behaviors" that follow students from school year to school year for the duration of their enrollment in CIAS and are not “erased” or expunged at the end of each school year.

If a student accumulates three these Un-erasable Strikes over the course of enrollment in CIAS, they will automatically be expelled. These seven are marked in RED on the charts on the following pages.

- 1) Getting expelled from a class due to chronic misbehavior and/or multiple incidents of ignoring chances to redirect misbehavior
- 2) Being chronically disruptive in a homeroom classroom, causing a teacher to "recuse" themselves from teaching that student
- 3) Bringing, threatening to bring, and/or using weapons on school grounds, including but not limited to the entire list of weapons listed in the CIAS Campus School Handbook
- 4) Assault & Battery: Threatening to and/or physically touching another student on any body part; including but not limited to holding down, hitting, punching, kicking, etc. with the intent to inflict bodily harm or to retaliate
- 5) Participating in sexual activity on school grounds (not including PDA), including but not limited to the following: sexual acts with hands/fingers/lips/bpdy parts such as groping, oral sex, etc.
- 6) Bringing substances on school grounds, including but not limited to the following: vapes, cigarettes, drugs/pills, weed/pot/marijuana/edibles, alcohol, etc. with the intent to distribute.
- 7) Violating the terms of an established Behavior Management Contract, ISS or OOS

SUBSTANCES POLICIES

CONTRABAND SUBSTANCES

Substances that are considered contraband are banned from being present on the CIAS Campus School include, but are not limited to, the following:

- Vapes/vape pens
- Cigarettes,
- Drugs/pills
- Weed/pot/marijuana/edibles/bongs
- Alcohol

If CIAS staff suspects, receives a tip (from a student, parent, teacher, other staff member, concerned party, etc.), or is informed about the presence of a contraband substance being present at school, this is the protocol that CIAS staff and administration will follow to keep our students and school safe and substance-free:

1. A random/general bag/backpack search or a hoodie and/or pocket inspection may be conducted for a group or class of students. Visual inspections may occur, as well as gloved inspections depending on the situation. A member of school administration will always be present during these inspections.
2. A specific bag/backpack or hoodie and/or pockets inspection may be conducted for a particular student or group of students. Visual inspections may occur, as well as gloved inspections depending on the situation. A member of school administration will always be present during these inspections.
3. Students' parents/guardians are informed of the inspection within that school day in a timely manner, typically via the GroupMe app and/or individually by text.
4. If contraband is not found, no further action will be taken, and parents will be informed of this via the GroupMe parent/teacher group.
5. If contraband is found, pictures are taken of the item(s) and a "Come to Jesus Meeting" will be held with the Principal in the Principal's Office on the same day.
6. The contraband is confiscated. Students may or may not receive their items back, at the discretion of the Principal.
7. Students are typically given 1 ½ hours after they have access to their cell phone to inform their parent(s)/guardian(s) themselves about any contraband that is seen or found on them, in their clothing, or in their possession/bag/backpack.
8. A CIAS staff member, typically their teacher, will then contact their parent by text to inform them of the details of the incident or situation.
9. A Disciplinary Committee (DC) will be convened to make disciplinary decisions regarding the incident to determine consequences according to the "Disciplinary & Dismissal Procedures."
10. Parent(s)/guardian(s) will be informed of the disciplinary decision(s) made by the DC in a timely manner.
11. Disciplinary consequences for bringing substances onto the CIAS campus may include but are not limited to the following:
 - a. Losing the privilege of wearing a hoodie to school
 - b. Losing the privilege of bringing a bag or backpack to school
 - c. ISS (In-School Suspension- shadowing a teacher, losing freetime/social time before/during/after school)
 - d. OSS (Out-of-School Suspension)
 - e. Expulsion

DISCIPLINARY & DISMISSAL PROCEDURES

All infractions and violations of the Student Conduct Code will be met with disciplinary measures implemented by CIAS administration and/or staff. Disciplinary measures are implemented at 6 levels of discipline.

Inappropriate Misbehaviors & Infractions

COVID-19 INFORMATION FOR PARENTS

CIAS will closely follow the following Escambia County School District COVID-19 Guidelines, published on August 6, 2021.

1. General Protocols and Definitions: The following procedures will be instituted at CIAS to govern the control of COVID-19

- CIAS staff will routinely and systematically clean our classrooms and high traffic areas.
- Students will be encouraged to practice routine handwashing throughout the day or use antibacterial hand sanitizer as often as they wish.
- Students may wear masks or facial coverings as a mitigation measure; however, the school must allow for a parent or guardian of the student to opt-out the student from wearing a face covering mask.
- CIAS staff will routinely diffuse Thieves oil blend in classrooms.
- During the 2021-22 school year, classrooms expanded to enable social distancing; the elementary class split into two levels (Early and Upper), and the high school class split into multiple classes.
- CIAS Students will be reminded and expected to keep their hands off of one another and practice social distancing within reason.
- Some CIAS teachers may opt to utilize Plexiglas dividers to maintain appropriate distance between them and their students.
- All restroom sink faucets and soap dispensers are now touchless.
- Individual snacks and drinks are provided for students via our Vending Machine, and as much as possible, food served at school events will be pre-packaged or not sharable.

2. Protocols for symptomatic or COVID-19 positive students: Students experiencing any symptoms consistent with COVID-19 or who have received a positive diagnostic test for COVID-19 should not attend school, school-sponsored activities, or be on school property until:

- A. The student receives a negative diagnostic COVID-19 test and is asymptomatic; or
- B. Seven (7) days have passed since the onset of symptoms or a positive test result, the student has had no fever for 24 hours, and the student's other symptoms are improving; or
- C. The student receives written permission to return to school from a medical doctor license under chapter 458, an osteopathic physician licensed under chapter 459, or an advance registered nurse practitioner licensed under chapter 464.

3. Protocols for students with exposure to COVID-19: Students who are known to have been in “direct contact” with an individual who received a positive diagnostic test for COVID-19 should not attend school, school-sponsored activities, or be on school property until:

- A. The student is asymptomatic and receives a negative diagnostic COVID-19 test after five (5) days from the date of last exposure to the COVID-19 positive individual; or
- B. The student is asymptomatic and five (5) days have passed since the date of last exposure to the COVID-19 positive individual.
- C. If a student becomes symptomatic following exposure to an individual that has tested positive for COVID-19, the student should follow the procedures set forth in subsection (2) above.

“Direct contact” means cumulative or extended exposure for at least 15 minutes, within six feet.

4. Protocol for students with prior COVID-19 infection: A student who has received a positive diagnostic test for COVID-19 in the previous 90 days and who is known to have been in direct contact with an individual who has received a positive diagnostic test for COVID-19 is not subject to the protocols set forth in subsection (3) so long as the student remains asymptomatic. If a student with a previous COVID-19 infection becomes symptomatic, the student should follow the procedures set forth in subsection (2) above. This subsection applies equally to students that are fully vaccinated for COVID-19.

5. Testing: Any COVID-19 testing of minors at school requires informed written consent from a parent or legal guardian. *CIAS will not require students to receive COVID-19 testing.*

6. Non-discrimination: Students whose parents or legal guardian have opted them out of a mask or face covering requirement shall not be subject to any harassment or discriminatory treatment, including but not limited to:

- A. Relegation to certain physical locations;
- B. Isolation during school activities; or
- C. Exclusion from any school-sponsored events or activities

Questions & Answers

Specific to the Escambia County School District

1. What are the COVID symptoms?

Fever of 100.4° or greater, chills, cough, sore throat, shortness of breath or difficult breathing, headache, body or muscle aches, GI symptoms (diarrhea, vomiting, abdominal pain), new loss of taste or smell, nasal congestion/runny nose.

2. If there is a positive case at home, and a student has been identified as a close contact, will the student be excluded from school?

Yes. Parents should follow the previously noted guidelines from the Florida Department of Health and the Florida Department of Education regarding quarantine protocols. Please contact your child's teacher or the school office to inform them of any required quarantine.

3. Will absences due to isolation/quarantine or COVID symptoms be excused?

Yes. Absences of this type will be excused.

4. COVID-19 canceled or modified many different types of school events in 2019-20, such as field trips, school events, and performing arts events. Will these return to normal this year?

Yes. School activities and field trips resumed during the 2021-22 school year. School events and extracurricular activities such as concerts, pep rallies, and field days will occur without limits on student participation going forward.

5. Will parents be able to volunteer in classrooms this fall and chaperone field trips?

Yes. We are pleased to welcome our parents to CIAS as volunteers. All volunteers who are older than 18 years old must agree to and complete Level 1 fingerprinting and background screening. The volunteer application can be obtained from the CIAS office.

6. Will remote learning (Live Online via Google Meet or Google Classroom) be an option this year?

Yes, but there is no official hybrid or full-time Live Online schooling option for parents to choose as they had at the beginning of the 2020-21 school year. This is due to the fact that there is currently no State of Florida Executive Order authorizing blended or remote instruction as an option for this school year. However, CIAS will still offer many, if not most, of the aspects of our school program to our students who may be quarantined due to COVID-19 exposure or illness (symptomatic or asymptomatic) via our Live-Online School program on Google Classroom/Meet.

CHRISTIAN INSTITUTE OF ARTS & SCIENCES

CAMPUS STUDENT CONDUCT CODE: GRADES K-2

All students who attend the CIAS Campus School should live like Jesus wants them to live and represent Him to others. Even though we live in this world, we are not to participate in behavior that does not please the Lord because He loves us, and we love Him and want to obey Him in all things. This obedience affects our beliefs, appearance, conversation, entertainment, music, and pastimes

Schoolwork:

1. I will complete the schoolwork that is assigned to me by my teacher.
2. I will complete the homework that I am assigned to do by my teacher.

Student Conduct:

3. I will be kind to others.
4. I will obey my teacher and school staff.
5. I will follow the CIAS Student Conduct Code and make good choices for my behavior.
6. I will follow the clothing rules of the CIAS Dress Code
7. I will make good choices for my behavior.
8. I will be respectful, or obey the school rules
9. I will not encourage my fellow classmates to break school rules
10. I will be quiet during school hours and use my inside voice when permitted to talk.
11. I will be respectful of my classmates' personal spaces.
12. I will not wander around without permission.
13. I will not say bad words or use bad language; I will not misuse the Lord's name (ex: Oh, my God!).
14. I will not tease or belittle my classmates.
15. I will not tease a person about how God made them.
16. I will not be mean to my classmates.
17. I will not say hurtful words about anyone.
18. I will not gossip about teachers or other students, talking about them behind their backs.
19. I will not write and pass unkind or mean notes, nor ask other classmates to pass notes.
20. I will not touch my classmates inappropriately or rough house (ex: hitting, slapping)
21. I will not fight with other students.
22. I will not hit or touch another person with the intent of hurting them.
23. I will not show anyone my private parts.
24. I will not be dishonest; I will not lie. I will not cheat on tests.
25. I will not steal snacks or drinks.

School Property:

26. I will not touch anything on the teachers' desks or open drawers in the desk without the teacher's permission.
27. I will not damage school property (tables, chairs, shelves, etc.)
28. I will not throw objects across the room or at the ceiling.
29. I will not write on desks, walls, reading or reference books, posters, etc.

I have read and understand the above CIAS Student Conduct Code and solemnly promise, with the Lord's help, to abide by the life-guidelines stated. I also acknowledge that failure to keep the above Student Conduct Code will result in disciplinary measures and can/will terminate my enrollment at CIAS.

CAMPUS STUDENT CONDUCT CODE: GRADES 6-8

All students who attend the CIAS Campus School should live like Jesus wants them to live and represent Him to others. Even though we live in this world, we are not to participate in behavior that does not please the Lord because He loves us, and we love Him and want to obey Him in all things. This obedience affects our beliefs, appearance, conversation, entertainment, music, and pastimes

Schoolwork:

1. I will complete the schoolwork that is assigned to me by my teacher in my Lesson Plan Book (LPB).
2. I will complete the homework that I am assigned to do by my teacher.

Student Conduct:

3. I will be kind to my classmates and teachers.
4. I will obey the CIAS Student Conduct Code.
5. I will obey the CIAS Dress Code
6. I will not be a rebel; this would include refraining from insolence, disrespect, passive disobedience, outright disobedience, and disregard to school rules or instructions of school teachers and/or administration.
7. I will not encourage or facilitate other CIAS students to be disobedient to parents, school rules, or the Student Conduct Code.
8. I will be quiet during school hours and use my inside voice when in conversation with my teachers.
9. I will not disturb others and wander around without permission during school time.
10. I will not use bad language; I will not misuse the Lord's name (i.e. "Oh, my God!")
11. I will not tease with the intention of making fun of or hurting another person; I will not tease a person about unchangeable features.
12. I will not be mean; I will not say unkind comments about anyone.
13. I will not gossip about teachers or other students, stirring up trouble among other CIAS students.
14. I will not indulge in inappropriate touching or rough housing, however innocent my intentions.
15. I will not fight with other students.
16. I will not hit or touch another person with the intent of hurting or inflicting bodily harm to them.
17. I will not be dishonest; I will not lie, cheat on tests, or steal from anyone.
18. I will not steal snacks or drinks from the school.
19. I will not write and pass unkind, inappropriate, or suggestive notes, nor ask other students to pass notes.
20. I will not behave suggestively or show anyone my private parts.
21. I will not engage in public displays of affection (PDA) with my boyfriend/girlfriend while on campus.
22. I will not engage in sexual activity, immorality, or sexual experimentation, on or off campus.
23. I will not look at pornography in any form (cell phone, internet, magazines, movies, etc.) while on campus.
24. I will not listen to ungodly and inappropriate music or watch indecent movies while on campus.
25. I will not participate in séances, dabble in witchcraft or the occult, nor indulge in either satanic or Goth lifestyle.
26. I will not vape, smoke cigarettes or pot, nor use alcohol, tobacco, or drugs on or off campus.
27. I will not bring to or obtain at school the following contraband items: vapes, cigarettes, weed/pot, alcohol, tobacco products, pills/drugs, and other related items.
