

PARENT TESTIMONIES

CIAS has been a Godsend to our family. They provided the encouragement and guidance that we needed to make homeschooling successful. Now our son is in his junior year at UWF and is on the Dean's list. Thank you so much!

You are all irreplaceable! Thank you so much for your help and encouragement to my daughter. She is excited about learning again and even looks forward to her tutoring lessons! I couldn't do it without you.

The guidance, tutoring, testing and accountability that we have received from CIAS over the last five years has been exactly what we needed to prepare our children for college and their future lives. With three finished and one more to go, we are nearing the end of our homeschooling years. Thank you, CIAS, for your help along this journey!

Notice of Nondiscriminatory Admissions

The Christian Institute of Arts & Sciences admits student of any race, color, national, and ethnic origin. All students are entitled to the rights, privileges, programs, and activities generally made available by the school administration. We believe that all men are made in God's image and hold that discrimination is in violation of the Word of God (Galatians 3:28-29).

Christian Institute of Arts & Sciences

CIAS Class of 2020

Serving Students & Supporting Education in the Pensacola Community & Beyond

K-12 Private School

Christian Institute of Arts & Sciences

Kindergarten Graduation 2021

Christian Institute of Arts & Sciences was established in 1997 as a private, non-public school with the Florida Department of Education. We incorporated as an accredited, non-profit 617 private school, supporting families that homeschool their children.

CIAS now operates as a full-time private school in Escambia County with a Campus School and live-online classes on our Google Classroom platform, as well as an Umbrella School for homeschooled students in the local area and worldwide.

CIAS Purpose Statements

VISION STATEMENT

Christian Institute of Arts and Sciences' vision is to partner with parents and guardians to prepare their children for future responsibility, ministry, and career. We desire that all graduates leave CIAS equipped with a Biblical worldview, solid academic education, and life skills that will help them to successfully accomplish God's purpose and will for their lives.

MISSION STATEMENT

Christian Institute of Arts & Sciences functions as a private school with an Umbrella School for home schooling families in the local area and beyond, as well as a Campus School serving the local community as a full-time private Christian school with a homeschool model, combining the full services of a private school administration office with the individualized advantages, personal assistance, and accountability needed to make our individual students' educational experiences a success. CIAS provides a wide variety of classes both in person and on Google Classroom/Live-Online School (academic, fine arts, physical education), subject-specific tutoring lessons and after-school learning labs, educational therapy for special needs students (Barton System/NILD), clubs, activities, and field trips to meet the spiritual, academic, physical, social, and emotional needs of our students and their families.
